

At the General Assembly of the Province of Nova Scotia, begun and holden at Halifax, on Tuesday the Eighteenth day of November, 1806, and continued by several Prorogations to Thursday the Nineteenth day of May, 1808; in the Forty-Eighth Year of the Reign of our Sovereign Lord George the Third, by the Grace of God of the United Kingdom of Great-Britain, and Ireland, King, Defender of the Faith, &c. being the Third Session of the Ninth General Assembly, convened in the said Province.

48 George III – Chapter 5 (Session 1)

An Act for applying certain Monies to the purposes therein mentioned.

May it please your Excellency,

We his Majesty's dutiful and loyal Subjects the House of Assembly of His Majesty's province of Nova-Scotia, towards appropriating the supplies granted to His Majesty, and for supplying the exigencies of His Majesty's Government, do humbly beseech that it may be enacted,

I. And be it enacted, by the Lieutenant Governor, Council and Assembly, that by or out of such monies as now are, or from time to time shall be and remain in the public treasury of this province, and not already appropriated by the laws of this province, there shall be paid and applied, a sum not exceeding seven hundred pounds to defray the contingent expences of the House of Assembly during the present session: the same to be drawn for by the Governor, Lieutenant Governor or Commander in Chief for the time being, on the certificate of the speaker of the house of assembly, and not otherwise; and a further sum of fifteen pounds ten shillings to Charles Stewart Powell, for his services as sergeant at arms to the house of assembly, during the present session; and a further sum of twelve pounds ten shillings, to Israel Conky, for his services as messenger to the house of assembly, during the present session; and a further sum of seven pounds to the door keeper of his Majesty's council, for his attendance during the present session; and a further sum of four hundred pounds for the purpose of repairing the roof, painting the inside, and for erecting an iron railing round the western area of the new government-house, also towards erecting fences around the said house, and the garden belonging thereto, the same to be expended under the direction of a commissioner to be appointed by his excellency the Lieutenant Governor, for that purpose; and a further sum of two hundred and fifty pounds for the purchase of new furniture for the levee-room, the drawing room and dining room, of the new government house; the same to be expended under the direction of a commissioner, to be appointed as aforesaid.

II. And be it further enacted, that the sum of three hundred pounds of the monies granted at former sessions of the general assembly for the supporting and lighting the light-house at the entrance of the gut of Annapolis (which light-house has lately been destroyed by fire) and remaining in the Treasury, shall be applied to build by contract, and finish a light house at such place, at the entrance of the Gut of Annapolis aforesaid, as his Excellency the Lieutenant-Governor, with the consent of His Majesty's council, shall direct; to be expended
