48 George III – Chapter 30

An Act for appropriating a sum of money therein mentioned towards repairing and furnishing the Hospital of the Town of Three Rivers. (14th April 1808.)

MOST GRACIOUS SOVEREIGN.

Whereas it is absolutely necessary, that the Hospital of the Town of Three Rivers [Trois-Rivières], destroyed by fire, should be repaired, furnished and provided with every thing needful, and requisite thereto, and whereas the Religious Ladies the Ursulines of the said Town, although always inclined to continue their care of the sick and of the poor, with that zeal and assiduity that have rendered them so praiseworthy, finding themselves unable from the loss they sustained by the Conflagration to repair the said Hospital, and to furnish it in a manner so as to render it of as great utility, as it has hitherto been; May it therefore please Your Majesty, that it may be enacted, and be it enacted by the King's Most Excellent Majesty by and with the advice and consent of the Legislative Council and Assembly of the Province of Lower Canada, constituted and assembled by virtue of, and under the authority of an Act passed in the Parliament of Great Britain, intituled, "An Act to repeal certain parts of an Act passed in the fourteenth year of his Majesty's reign, intituled, 'An Act for making more effectual provision for the Government of the Province of Quebec in North America;' and to make further provision for the Government of the said Province," and it is hereby enacted by the authority aforesaid, that it shall and may be lawful, to and for the Governor, Lieutenant Governor or Person administering the Government of the Province for the time being, to pay or cause to be paid to the Religious Ladies the Ursulines of the said Town of Three Rivers, out of any unappropriated monies, that now are or shall at any time or time hereafter, come into the hands of the Receiver General of this Province, the sum of five hundred Pounds, currency, to be by them laid out in and about repairing the said Hospital of the Town of Three Rivers, and in providing it with everything needful, and requisite.

II. And be it further enacted by the authority aforesaid, that the due application of the said sum of money, shall be accounted for to His Majesty, his heirs and successors, through the Lords Commissioners of His Majesty's Treasury for the time being, in such manner and form, as His Majesty, his heirs and successors shall direct.
