

6. If such person shall be convicted of knowingly dealing, vending or selling any smuggled, contraband, or prohibited goods, fraudulently or dishonestly procured, either by themselves or through the means of others, or with their privity or knowledge, such person shall, on conviction thereof, forfeit his Licence, and shall thereafter be incapable of obtaining or holding a new Licence, or dealing or trading under the same, over and above all such forfeitures, fines and penalties, which he is by law subject for such illicit and unlawful dealing.

7. If any person shall forge or counterfeit any Licence by this Act directed to be granted, or travel with or produce any forged or counterfeit Licence for the purposes aforesaid, every such person on conviction thereof shall be liable to the like pains and penalties as persons guilty of forgery, or writing or making any forged instrument within this Province, are now by Law liable.

8. Nothing herein contained shall be construed to interfere with the rights and privileges given to the Cities of Saint John and Fredericton and Town of Woodstock by their respective Charters.

*Passed 17th June 1867.*

BE it enacted by the Governor, Legislative Council, and Assembly, as follows:—

1. There shall be appointed on or before the first day of September annually, one or more persons for each Port of Entry in this Province, and for such other Districts or places therein where such appointments may be necessary, to be Inspectors of Petroleum and Coal Oils, and Burning Fluids, and other Oils and Fluids analagous thereto, who shall be sworn to the faithful discharge of their duties, and it shall be their duty, when requested, to inspect such oils and burning fluids by applying the fire-test with G. Tagliabue's Pyrometer, or some accurate instrument, to ascertain the lowest point or temperature in degrees of Fahrenheit's thermometer, at which such oils and fluids respectively may be found to give off vapours that will ignite or explode on the application of a lighted match thereto, and they shall cause every vessel or cask thereof by them so inspected to be plainly marked by the name of such Inspector, the date of inspection, and the number of degrees representing the temperature at which the respective contents thereof may be found to give off vapours as ascertained as aforesaid.

2. The appointment of such Inspectors shall be made by the Governor in Council, who from time to time may rescind such appointments, and other appointments make; and the said Governor in Council may make regulations respecting the fees to be taken and received by the said Inspectors respectively, and by whom to be paid, and in what manner the same shall be paid, and from time to time, when they may deem it desirable so to do, to rescind, alter, amend or add to any or all such regulations, and other regulations make.

3. Whenever any cask or vessel of such oil or fluid will not bear the fire-test of at least one hundred and ten degrees Fahrenheit, without giving off vapour that will ignite or explode on application thereto of a lighted match, the same

shall be marked as aforesaid, and shall also be marked by the inspector thereof, "unsafe for illuminating purposes."

4. If any Inspector shall knowingly put false marks upon any such cask or vessel of such oils or fluids inspected by him, or be guilty of fraud, deceit or culpable negligence in inspecting such oils or fluids, he shall be guilty of a misdemeanour, and shall on conviction be imprisoned in the common gaol for the term of six months, or fined in a sum not exceeding five hundred dollars, at the discretion of the Court.

5. If any person shall without authority of law, place an inspection brand or mark upon any cask or package containing such oil or fluid, or shall knowingly use any such cask or package bearing the Inspector's brand or mark, without having the oil or fluid contained therein inspected, or shall adulterate or mix such oil or fluid after inspection, with intent to sell the same, or shall erase any brand or mark placed thereon by the Inspector before the oil or fluid is removed therefrom, he shall on conviction be imprisoned in the common gaol for the term of six months, or fined in a sum not exceeding five hundred dollars, in the discretion of the Court.

6. Every person and Corporation engaged in manufacturing within this Province any such petroleum or coal oil or burning fluid, or other oil or fluid analagous thereto, shall cause every cask or vessel thereof to be inspected and marked as aforesaid by a sworn Inspector, and if any agent or officer of any Corporation, or any other person whomsoever, shall manufacture and sell within this Province any such oil or burning fluid without first causing it to be inspected and marked as aforesaid, he shall be guilty of a misdemeanour, and shall on conviction be imprisoned in the common gaol for the term of six months, or fined in a sum not exceeding five hundred dollars, at the discretion of the Court.

7. Every importer of Petroleum or coal oil or burning fluid, or other oils or fluids analagous thereto, or holder of any such oil or fluid which shall not have been duly inspected and marked as aforesaid, shall cause the same to be inspected and marked, or if he shall neglect so to do, shall be guilty of a misdemeanour, and shall on conviction be imprisoned in the common gaol for the term of six months, or fined in a sum not exceeding five hundred dollars, at the discretion of the Court.

8. No person whomsoever shall sell within this Province any petroleum or coal oil or burning fluid, or other oil or fluid analagous thereto, without first causing the contents of each cask or vessel thereof to be duly inspected, and each cask or vessel containing the same to be marked as aforesaid, unless it has already been so inspected and marked within this Province, and if any person whomsoever shall sell any petroleum or coal oil or burning fluid, or other oil or fluid analagous thereto, that has not been so inspected and marked, or that has been so inspected and so marked as "unsafe for illuminating purposes," except for the purposes of manufacture or exportation, he shall be guilty of a misdemeanour, and shall on conviction be imprisoned in the common gaol for the term of six months, or fined in a sum not exceeding five hundred dollars, at the discretion of the Court.

9. The Mayor, Aldermen, Police Magistrate, Chief of Police, or any Policeman of any City or Town, or any one of them, or any Justice of the Peace, shall have the right at all times to examine any or all such petroleum or coal oil or burning fluid, or oil or fluid analagous thereto, kept in their respective Cities, Towns or Counties for sale, and to cause the same to be inspected, and it shall be their duty so to examine such oils and fluids, and cause them to be inspected in all cases where they shall be informed or believe any such oils or fluids are kept for sale in violation of the law; and if they shall find any person or persons keeping or selling any such oils or fluids in violation of the provisions of this Act, it shall be their duty to cause such persons to be prosecuted therefor; provided that the provisions of the seventh Section of this Act shall not be in force until the first day of August one thousand eight hundred and sixty seven, and also that the provisions of the third, fourth, fifth, sixth, eighth, and ninth Sections of this Act, shall not be in force until the first day of September one thousand eight hundred and sixty seven.
