57 George III – Chapter 3

An Act to amend and explain an Act intituled “An Act to encourage the Fisheries in this Province.” Passed the 22nd of March, 1817.

Whereas doubts have arisen whether, in and by the first section of an Act passed in the fifty-sixth year of His Majesty's Reign, intituled “An Act to encourage the Fisheries of this Province, such vessels are entitled to the bounty of twenty shillings per ton, which shall have been constantly employed in the Cod Fishery, in any of the places specified in that Act for the full space of four calendar months and shall have complied with all other the conditions of said Act, but may not within that time have made a complete fare of Cod and Scale Fish at and after the rate of ten quintals for every register ton of such vessel, for remedy whereof—

- I. Be it enacted by the President, Council and Assembly, That all vessels of thirty tons and upwards, owned and registered as the Act directs, which have been or may hereafter be employed in the Cod Fishery for the full and complete space of four calendar months, and the owner or owners of such vessels shall have complied or may hereafter comply with the other conditions of the said Act, such vessels shall be entitled to the bounty specified therein, although such vessel or vessels shall not have been or may not hereafter be so fortunate, as to make up the full and complete fare aforesaid.
- II. And be it further enacted, That this Act shall be in force for one year and until the end of the then next Session of the General Assembly.
