6 William IV – Chapter 15

An Act to authorise the Justices of the Peace for Queen's County to assess the inhabitants for erecting and building a Court House in said County. Passed 8th March 1836.

'Whereas the building occupied as a gaol and court house in the County of Queen's is found insufficient for the purpose of a court house, and it is expedient that a court house should be built separate and apart from said building;'

Be it enacted by the Lieutenant Governor, Legislative Council and Assembly, That the Justices of the Peace for the said County at any General Sessions of the Peace hereafter to be holden, or at any special Sessions for that purpose convened and holden, or the major part of them, be and they are hereby authorised and empowered to contract and agree with able and sufficient workmen for building and finishing a court house in the said County, and to agree for such sum or sums of money as to them may seem meet in order to carry their object into effect; and the said Justices are hereby authorised and empowered to make a rate and assessment of any sum not exceeding six hundred pounds, as they in their discretion may deem necessary for the erecting and finishing a court house in the said County; the said sum or sums to be assessed, levied, collected and paid in such proportions and in the same manner as any other County rates can or may be assessed, levied, collected and paid under and by virtue of any Act or Acts in force in this Province for assessing, levying and collecting of rates for public charges.
