A sum not exceeding one hundred and seventy eight thousand four hundred dollars to provide for the repairs of the Great and Bye Roads of the Province, and for Bridges thereon, for the repairs and extension of the Public Buildings, and the improvement of the Navigation of the River Saint John and its tributaries, including expense of Dredge, the Navigation of the Miramichi River, and Steam Communication.

2. The said sum of money, and every part thereof, shall be expended under the direction of the Board of Works, and of such Supervisors and Commissioners as the Governor in Council may appoint, and shall be paid to the several and respective persons who shall actually work and labour in making, completing, and repairing the several Roads, Bridges, and Works, or in furnishing materials therefor, at the most reasonable rate that such labour and materials can be provided, where such sums are expended on Roads, Bridges, or Works; and every Commissioner so to be appointed shall, as early in the season as may be, carefully examine the part of the Road where any sums of money are to be expended, and shall lay out and mark off such allotment or allotments as may conveniently be contracted for, in order that the making and repairing of the same may be let by auction to the lowest bidder; and in all such cases such Commissioners repectively are hereby required to put a sufficient number of notices, not less than ten days previous to such sale, in three or more of the public places in the neighbourhood where the work is to be done; which notices shall specify and describe the work to be performed, and also the place, day, and hour when and where the same will be let by auction as aforesaid; and it shall

further be the duty of such Commissioners respectively, to attend personally at the time and place so appointed, and there to let out to the lowest bidder such allotment or allotments, and at the same time to enter into written contracts for the faithful performance of the work in the time and manner set forth in such contracts: and in cases where the work required to be performed cannot be conveniently let at auction, it shall be the duty of the Commissioners to agree with fit and proper persons to perform the same by days' labour, provided that in no case shall more than one quarter part of any grant be so expended: and the said Commissioners shall severally keep an exact account of such moneys, and shall produce receipts in writing of the several and respective persons to whom any part of the said money shall be paid, as vouchers for such payment, and render an account thereof, in duplicate, upon oath—which oath any one of the Justices of the Peace in the several Counties is hereby authorized to administer; one copy of which, with vouchers, to be transmitted to the Secretary's Office on or before the first day of December next, to be laid before the General Assembly at the next Session, and the other copy to be filed in the office of the Clerk of the Peace in their respective Counties for public information.

3. The Commissioners appointed by the Municipalities of York, Carleton, and Sunbury, when any of the aforementioned sums of money appropriated for Roads and Bridges are issued to such Municipalities, shall account for the moneys granted to the said Municipalities, in the same manner as the Commissioners appointed by the Governor in Council.

4. The beforementioned sums of money shall be paid by the Treasurer out of the moneys in the Treasury, or as payment may be made at the same, by Warrant of the Governor in Council.

5. The said Commissioners entrusted with the expenditure of the several and respective sums of money shall, for their time and labour, be allowed to retain at and after the rate of five per centum out of the said money so entrusted to them respectively, together with a reasonable compensation for actual labour and work performed by them on the said several Roads and Bridges, where such moneys are expended on Roads or Bridges.

6. The said Commissioners for the expenditure of money on Roads and Bridges shall expend the said several and respective sums of money on the Roads on or before the first day of October; provided always, that nothing herein contained shall extend or be construed to extend to prevent any Commissioner from expending moneys after the first day of October, when it shall be necessary to expend the same for building Bridges, removing rocks, stumps, trees, or other obstructions.

7. None of the beforementioned sums of money, or any part thereof, shall be laid out or expended on the making or improving any alteration that may be made in any of the said Roads, unless such alterations shall have been first laid out and recorded.

8. Every person who may be appointed a Commissioner for the expenditure of money hereinbefore granted, before entering upon the duties of his office, shall respectively enter into a Bond to Her Majesty, Her Heirs and Successors, to the satisfaction of the Governor in Council, for

the due performing his duty as such Commissioner, and the faithful expenditure of, and due accounting for, such moneys as shall come into his hands as such Commissioner.

9. Notwithstanding the provisions of any law in force for the election of Commissioners of Bye Roads, or otherwise, no person shall be appointed to expend any of the aforesaid moneys who shall be a defaulter, or who shall not have fully accounted for the expenditure of any money previously entrusted to him, until he shall have satisfactorily accounted therefor, and in case of the election of any such person, the Governor in Council shall appoint Commissioners in the same manner as if no election had taken place.

10. That in case of a vacancy by death of any Commissioner elected to expend money on the Bye Roads, the Governor in Council shall appoint the Commissioner.
