[Passed the 7th Day of April, 1817.]

MOST GRACIOUS SOVEREIGN,

WHEREAS, His Excellency FRANCIS GORE, Esquire, Your Majesty's Lieutenant Governor of this Province, did on the Fifth Day of March, One Thousand Eight Hundred and Seventeen, send a Message to the Commons House of Assembly, of Your Majesty's Province of Upper Canada, in the following Words: "The Lieutenant Governor is under the necessity of Reminding the House of Assembly, that since the first Organization of this Government, the Charges of its Administration have far exceeded the annual Parliamentary Grant for that Purpose, that His Majesty's Government has hitherto Provided for that excess, from a tender regard to the Wants and Inability of a young Colony; but the growing Wealth and Prosperity of the Province indicates the Propriety of relieving the Parent State from this Burden, and of calling upon the Inhabitants to defray in future, the current Charge of the Administration not otherwise Provided by the Imperial Parliament, and His Majesty's Government has accordingly withheld the usual Means of meeting it. As the Demand varied from Circumstances, I have directed the proper Officer to lay before the House of Assembly, the average Amount of this Supply, from the Year One Thousand Seven Hundred and Ninety-Two, in full Confidence that the Legislature will feel the Justice, as well as the Necessity of Providing for this Exigence before it makes any other Appropriation of the Provincial Revenue."
