46 George III – Chapter 4

**An Act to repeal an Act passed in the Forty-fourth year of his Majesty's Reigns intituled, “An Act for granting to His Majesty a certain Sum of Money out of the Funds applicable to the uses of this Province, to defray the expences of amending and repairing the Public Highways and Roads, laying out and opening new Roads and building Bridges in the several Districts thereof and to make further provision for the opening and amending the said Roads. Passed 3d March, 1806.**

Most Gracious Sovereign,

Whereas it would very much advance the general prosperity of this Province, if the public Highways and Roads already laid out in the several districts thereof were amended and repaired, and new and additional Roads were laid out and opened in certain parts of the Province, to which at present there is very difficult access, and certain Bridges are also become indispensibly necessary, the want of which at present much endangers the lives of the King's Subjects; and whereas the rates heretofore imposed, and the duty by Law required to be performed, on the said public Highways and Roads are altogether inadequate to the several purposes aforesaid, and the imposing additional burthens by levying District Rates sufficient for the several purposes aforesaid, would, in the present circumstances of the Province, be found inconvenient, and the necessary provision can only be made out of the surplus of certain duties and taxes as yet unappropriated: Be it Enacted by the King's most excellent Majesty, by and with the advice and consent of the Legislative Council and Assembly of the Province of Upper Canada, constituted and assembled by virtue of, and under the authority of an Act passed in the Parliament of Great Britain, intituled, “an Act to repeal certain parts of an Act, passed in the fourteenth year of his Majesty's reign intituled, “an Act for making more effectual provision for the Government of the Province of Quebec, in North America, and. to make further provision for the government of the said Province,” and by the authority of the same, That an Act passed in the forty-fourth year of the reign of his Majesty, intituled, “an Act for granting to his Majesty a certain sum of money out of the funds applicable to the uses of this Province, to defray the expences of amending and repairing the public Highways and Roads, and building Bridges in the several districts thereof,” be, and the same is hereby repealed.
