

Laws of His Majesty's Province of Upper Canada, passed in the year 1827. York: Robert Stanton, 1827.

8 George IV – Chapter 23

An Act granting a Sum of Money to aid in the Erection of a Bridge across the Otanibee River, in the District of Newcastle. Passed 17th Feb'y. 1827.

Most Gracious Sovereign.

Whereas Your Majesty's faithful Commons at the last Session of Parliament resolved, That in reference to the Petition of Thomas Alexander Stewart and others, praying for a grant of money in aid to build a Bridge over the Otanibee River, at the Town plot in Monaghan, this House is of opinion that the building of such Bridge is required, and if means are raised by the Petitioners or others to carry the object into effect, with a grant of money from the Provincial Funds, equal to one third of the whole sum required, such grant should be made. And whereas it appears that the sum of Three Hundred Pounds has been raised by the Petitioners and others for the said purpose; We, Your Majesty's dutiful and loyal Subjects, the Commons of Upper Canada in Provincial Parliament assembled, beseech Your Majesty that it may be enacted. And be it enacted, by the King's Most Excellent Majesty, by and with the advice and consent of the Legislative Council and Assembly of the Province of Upper Canada, Constituted and Assembled by virtue of, and under the authority of an Act passed in the Parliament of Great Britain, intituled, "*An Act to repeal certain parts of an Act passed in the Fourteenth Year of His Majesty's Reign, intituled, 'An Act formaking more effectual Provision for the Government of the Province of Quebec, in North America, and to make further Provision for the Government of the said Province;'*" and by the authority of the same, That from and out of the Rates and Duties raised, levied, and collected, or hereafter to be raised, levied, and collected, to and for the uses of this Province, and in the hands of the Receiver General unappropriated, there be granted to His Majesty, His Heirs and Successors, the sum of One Hundred Pounds, which shall be appropriated, applied, and disposed of for the purpose aforesaid, and shall be paid to such person as His Excellency the Governor, Lieutenant Governor, or Person Administering the Government of this Province shall appoint, in discharge of such Warrant as shall for that purpose be issued, and shall be accounted for to His Majesty by the Receiver General of this Province, through the Lords Commissioners of His Majesty's Treasury for the time being, in such manner as His Majesty, His Heirs and Successors, shall be graciously pleased to direct.
