

Laws of His Majesty's Province of Upper Canada, passed in the year 1831. York: Robert Stanton, 1831.

1 William IV – Chapter 26

An Act to make further Provision for completing the Kettle Creek Harbour in the District of London. Passed 16th March, 1831.

Most Gracious Sovereign,—

Whereas An Act was passed in the Eighth Year of the Reign of His late Majesty King George the Fourth, for the construction of a Harbour at the mouth of Kettle Creek, in the District of London, and the sum of money thereby granted has proved insufficient to complete the Piers and Works of the said Harbour, so as to render the same fit and commodious for the purposes of Navigation and Commerce at all seasons, and whereas, there is every reason to believe that the Tolls and Dues of the said Harbour will fully pay the Interest and eventually the principal of the monies expended, and also of the amount necessary to be expended to finish the same, and it is therefore desirable, in order that the said Harbour shall be completed with as little delay as practicable, to grant a further sum of money for that purpose, may it therefore please Your Majesty that it may be enacted; And be it enacted by the King's Most Excellent Majesty, by and with the advice and consent of the Legislative Council and Assembly of the Province of Upper Canada, constituted and assembled by virtue of and under the authority of an Act passed in the Parliament of Great Britain entitled, "*An Act to repeal certain parts of an Act passed in the fourteenth year of His Majesty's Reign, entitled, 'An Act for making more effectual provision for the Government of the Province of Quebec in North America, and to make further provision for the Government of the said Province,'*" and by the authority of the same, That it shall and may be lawful for the Governor, Lieutenant Governor, or Person Administering the Government of this Province, to authorise and direct His Majesty's Receiver General of this Province, to raise by loan from any person or persons, bodies politic or corporate, who may be willing to advance the same upon the credit of the Government Bills, or debentures authorised to be issued under this Act, a sum of money not exceeding Three Thousand, Five Hundred Pounds, at a rate of Interest not excepting Six Pounds per centum, to be applied by the Commissioners heretofore appointed in completing the said Harbour.

II. And be it further enacted by the authority aforesaid, That it shall and may be lawful for the Receiver General for the time being, to cause any number of Debentures to be made out for any such sum or sums of money, not exceeding in the whole the said sum of Three Thousand, Five Hundred Pounds, at a rate of Interest not exceeding Six per centum, as any person or persons, bodies politic or corporate, shall agree to advance on the credit of the said debentures, which debentures shall be prepared and made out in such method and form as His Majesty's Receiver General shall think most safe and convenient, and that for each loan or advance a debenture shall issue bearing date on the day on which the same shall be actually issued, conditioned for the payment of the said sum of Three Thousand, Five Hundred Pounds, or such part thereof as may be actually received, and redeemable at a period not exceeding twenty years, and shall and may be signed by the said Receiver General for the time being.

1 William IV – Chapter 26

III. And be it further enacted by the authority aforesaid, That all and every the provisions contained in the said first mentioned Act of the Parliament of this Province passed in the Eighth Year of His late Majesty's Reign, entitled, "*An Act to provide for the construction of a Harbour at the mouth of Kettle Creek in the London District,*" shall apply to and be in force in respect to the debentures which shall be issued under the authority of this Act.
