

Laws of His Majesty's Province of Upper Canada, passed in the year 1835. Toronto: Robert Stanton, 1835.

5 William IV – Chapter 20

An Act to authorise a new Survey in the Township of King. Passed 16th April, 1835.

Whereas it appears from a representation made during the present Session that the Line between the Eighth and Ninth Concessions of the Township of King, in the Home District, has been very incorrectly run, so that some of the Lots in the Eighth Concession contain more and some of the Ninth Concession less than their due quantities of land, and such Line, if not altered, may hereafter occasion endless litigation and expense: And whereas Alexander Lang, and others, by Petition prayed that the said line may be corrected: Be it therefore enacted by the King's Most Excellent Majesty, by and with the advice and consent of the Legislative Council and Assembly of the Province of Upper Canada, constituted and assembled by virtue of and under the authority of an Act passed in the Parliament of Great Britain, entitled, "*An Act to repeal certain parts of an Act passed in the fourteenth year of His Majesty's Reign entitled 'An Act for making more effectual provision for the Government of the Province of Quebec, in North America, and to make further provision for the Government of the said Province,'*" and by the authority of the same, That it shall and may be lawful for the Surveyor General of this Province, and he is hereby required, so soon as may be after the passing of this Act, to direct a Deputy Surveyor carefully to examine the said Concession Line between the Eighth and Ninth Concessions of the Township of King aforesaid, and to correct the same by running a right Line from the South East angle of Lot number One in the Ninth Concession, to the North East angle of Lot number Thirty-five in the said Ninth Concession, which Line, when so corrected, shall be and the same is hereby declared to be the true and unalterable Boundary between the said Concessions.

II. And be it further enacted by the authority aforesaid, That all Lots or Parcels of Land in the Ninth Concession of said Township of King, shall contain the same width in front as in the Original Survey of said Concession Line, and that such Monuments as are planted on the said new Line shall coincide in width with the Stakes planted on the Line done in the first Survey of said Concession Line.

III. And be it further enacted by the authority aforesaid, That if any Monument so set in the Original Survey of said Concession Line is lost, such Deputy Surveyor shall proceed and measure the true distance between the nearest undisputed Posts or Monuments, into the same number of Lots contained in the Original Survey of such Concession Line, having due respect to any allowance for Road or Roads, Common or Commons, as were contained in such Original Survey, and such limit so found is hereby declared to be the true and unalterable Boundary or Limit between such Lots, any Law or usage to the contrary thereof in anywise notwithstanding.

IV. And be it further enacted by the authority aforesaid, That a diagram of the correction made in the said Line by the Deputy Surveyor employed, be lodged in the office of the Surveyor General of the Province, to be referred to in case of any dispute hereafter arising between any persons interested in the same.
