II. The said Company is hereby authorized and empowered at its own cost and charges to construct a Harbor, wharf or wharves, with a wet dock, dry dock, marine railway, and railway sidings, turn-tables and stations, regulated for the loading, discharging and sheltering of all vessels, shipping and craft, propelled by steam, sail or otherwise, on the south shore of the River St. Lawrence, in the Harbor of Quebec, at the place called "Chapman's Cove," Seigniorship of Lauzon, in the County of Levis, which said harbor, wharf or wharves and docks shall be accessible to, and safe and commodious, for the reception of such sail, steam or other vessels, as now navigate the Atlantic., as well as for vessels engaged in the inland trade of this country, and also to erect and build (and sue!) necessary moles, piers, breakwaters, wharves and booms, or other erections or constructions whatever, as shall be useful or proper, for the purposes aforesaid, and the protection of the harbors, wharves, docks or booms, and for the accommodation and convenience of vessels entering, lying, loading or unloading, repairing or fitting up in the same; and to alter and amend, and repair and enlarge the harbor, wharf or wharves, docks, railway and railway sidings as aforesaid, as may, from time to time, be found necessary or expedient,

III. It shall be lawful for the said Corporation, from time to time, to purchase, and to have and hold, such lands and tenements, and real and immoveable property, as may be necessary for carrying on the business of the said Corporation, provided the portion of the capital of the Company appropriated to the purchase of real property, do not at any time exceed one hundred thousand pounds currency, and it shall be lawful for the said Corporation to sell, lease or otherwise dispose of the said property and estate, from time to time, as they may see fit.

IV. And it shall also be lawful for the said Corporation to issue certificates of goods received, or warehouse receipts therefor, on the production of which by the holder thereof, and on compliance by him with the terms, thereof, the said Corporation shall be compellable to deliver such goods, and not otherwise: and such warehouse receipts shall be transferable by endorsement, either special or in blank; and such endorsement shall transfer all right of property and possession of such goods to the endorsee or holder of such warehouse receipts, as fully and completely as if a sale and delivery of the goods mentioned therein had been made in the ordinary way; and on delivery of such goods by the said Corporation, in good faith, to a person in possession of such warehouse receipts, the said Corporation shall be free from all further liability in respect thereof.

V. The stock, real estate, property, affairs and concerns of the said Company, shall, until the election of Directors, as hereinafter mentioned, be vested in the said George Beswick and Henry Chapman, as Trustees of the said Company, until the first election of Directors thereof, with power to such Trustees to open books for the subscription of stock therein, and generally to exercise the usual functions of Provisional Directors until such first election; and such first election of Directors shall be made at a General Meeting of the Stockholders of the said Company to be held for that purpose at the City of Quebec, within sixty days after one fifth of the Capital Stock of the said Company, shall have been subscribed for, and after such, notice thereof shall have been given, as is hereinafter required for Special General Meetings of Stockholders in the said Company; And at such Meeting, five Directors shall be elected to hold office until the first Wednesday in the month of March then next following; and after such first election, the stock, real estate, property, affairs and concerns of the said Company shall be managed and conducted by five Directors to be annually elected by the Stockholders at a meeting of stockholders to be held for that purpose, on the first Wednesday of the said month of March, in each year; notice of which Annual Meeting shall be given at least sixty days previous to the day fixed for

VII. In case it shall at any time happen that an election of Directors shall not be made on any day, when, pursuant to this Act it ought to have been made, the said Corporation shall not for that cause be deemed to be dissolved, but it shall and may be lawful on any subsequent day, to make and hold an election of Directors, in such manner as shall have been regulated by the By-laws of the said Corporation; and the previous Directors shall, in every case, hold office until the election of their successors.

And finally, for the doing of every thing necessary to carry out the provisions of this Act according to their intent and spirit; Provided always, that such. By-laws shall have no force or effect until sanctioned by a majority of stockholders present in person or by proxy at any Annual or other General Meeting; and a certificate purporting to be signed by the Secretary of the said Corporation, and under the seal of the said Corporation, shall be primâ facie evidence of such By-laws, and of their having been sanctioned and posted up as herein required, in all or any Courts or Court of Justice in this Province.

X. Printed copies of such By-laws, certified by the Secretary, shall be posted up in a conspicuous position in the offices of the said Corporation, and until they have been so posted up, such By-laws shall have no force or effect whatever.

XI. It shall be lawful for the Directors to elect one of their members to be President of the said Corporation, and to appoint such officers, managers, clerks and servants, with such emoluments as they may see fit, and in their discretion to take such security from such officers, managers, clerks and servants, or any of them, as the said Directors may deem necessary.

XII. The said Directors may make any payments and enter into any contracts for the purposes of the said Corporation, and for all matters necessary for the transaction of its affairs; may generally deal with, treat, purchase, loan, sell, mortgage, let, release, and dispose of, and exercise all acts of ownership over the lands, tenements, property and effects of the said Corporation, may institute and defend in the name of the said Corporation, all suits at law; may from time to time displace the officers, agents, clerks and servants of the said Corporation, except as hereinafter provided, and shall have power to collect and receive all charges subject to which goods or commodities may come into their possession; and on payment of such back charges, shall have the same lien for the amount thereof, upon such goods or commodities as the persons to whom such charges were originally due, had upon such goods or commodities while in their possession; and shall and may have power to do all things whatever which may be necessary or requisite to carry out the objects of this Corporation.

XIII. It shall be the duty of the Directors to make annual dividends of so much of the profits of the said Company as to them or a majority of them shall seem advisable; and once in each year an exact and particular statement shall be rendered by them of the state of the affairs, debts, credits, profits and losses of the said Corporation, and such statements shall appear on the books, and be open for the

perusal of any stockholder upon request, at least one month before the Annual Meeting of the said Company.

XIV. It shall be lawful for the said Corporation to levy upon all vessels or rafts entering, departing from, or being anchored or otherwise moored, fastened, or lying within the limits of the property of the Company, and upon all goods landed or shipped, carried or deposited, or stored therein, such wharfage and such storage rates, and such other rates or tolls, not exceeding those limited in the schedule hereunto annexed, as the Directors may, from time to time, fix and establish as hereinafter provided, and the said rates and dues shall be levied as follows:

1. On seagoing vessels: The tonnage dues, or moorage rates thereon, shall be levied from the master or person in charge thereof, and the wharfage rates on goods landed or shipped, shall be levied from the consignee, shipper, owner or agent thereof;

2. On all other vessels: The tonnage, dues thereon, as well as the wharfage rates upon the cargoes, shall be paid by the master or person in charge thereof, saving to him such recourse as he may have by law against any other person for the recovery of the sums so paid; Provided however, that it shall be lawful for the said Corporation to demand and recover the said wharfage rates from the owners or consignees of such vessels, or from the owners, consignees or agents of ships, or shippers of such cargoes, if they see fit to do so; and in the event of goods lying unclaimed on the wharves, or in the warehouses of the said Corporation, for a period of ninety days, such goods may be sold by public auction after three weekly advertisements thereof shall have been published in any newspaper in the city of Quebec, and the said Corporation shall account for the proceeds thereof to the owner thereof on demand, first deducting all their lawful charges thereon; and if such goods be of a perishable nature, they may be sold within a shorter period, provided cause for such sale be shewn by affidavit before any Justice of the Peace for the district of Quebec, and an order for such sale procured from such Justice who is hereby authorized to grant the same.

XV. It shall be lawful for the Directors, from time to time, to ask, demand and receive, from all owners or masters of vessels, or persons in charge thereof, from owners, consignees or agents of all rafts, wares, goods or other merchandize, rates, tolls, dues and duties for moorages of rafts, vessels or boats propelled by steam, sail or otherwise, which may, from time to time, enter or depart from the said Harbour, within the said limits, or which may be lying or anchored or otherwise moored or fastened therein, and upon all goods, wares and merchandizes landed, shipped, carried or deposited or stored therein, not exceeding those limited in the Schedule hereunto annexed.

XVI. In case of non-payment of the said dues or tolls or part thereof, or of any other charge which, under this Act. the said Corporation may lawfully make, it shall be lawful for the said Corporation to seize forthwith before judgment, any vessel or goods whatsoever upon which such dues or other charges may be owing, and to detain the same at the risk, cost and charges of the owner, until the sum due and the charges incurred for the seizure and detention of the same -be paid in full; and in the event of such rates, dues or other charges, remaining due for forty days after such seizure, such vessel or goods may be sold by the said Corporation by public auction, after the publication in any newspaper in the said city of Quebec, of three weekly advertisements of such sale; and the said Corporation shall

thereafter, on demand, account to the owner of such vessel or goods, for the proceeds of such sale, first deducting the rates or tolls due, and all their other legal charges.

XVII. It shall be lawful for the said Corporation to require from the master or person in charge of every vessel in the said harbor, a report in writing, signed and certified by him, of his vessel's cargo inwards, and her draft of water, such report to be made before he shall break bulk; also of her outward cargo and draft of water before his vessel shall leave the harbor, and such oilier particulars as may be necessary to carry out the provisions of this Act; and in case of refusal or neglect to make such reports, or any of them, it shall be lawful for the said Corporation to seize and detain such vessel at the risk, cost and charges of the Master, Owner or person in charge thereof, until the aforesaid requirements are complied with; Provided always, that nothing herein contained shall prevent the said Corporation from making such mutual agreement with the Masters, Owners or Agents of steamboats and other vessels, with respect to making such reports, and with respect to the payment of all harbor and other dues, as may be considered expedient; And provided also, that nothing herein contained shall be construed to prevent the said Corporation from commuting with such Masters, Owners or Agents of steamboats and other vessels, for all rates and dues accruing thereon, on such terms and conditions, and for such sum or sums of money, and for such periods as to the said Corporation may seem fit and expedient.

XVIII. If any injury shall be done to any of the wharves, piers or other works in the said harbor, constructed or to be constructed, by any vessels, or by the carelessness or wantonness of the crew thereof, while in the execution of their duty, or of the orders of their superior officers, it shall be lawful for the said Corporation to seize such vessel and detain her until the injury so done shall have been repaired by the Master or crew; or until security shall have been given by the said Master to pay such amount for the injury and costs, as may be awarded in any suit which may be brought against, him for the same; and he is hereby declared to be liable to the said Corporation for any such injury.

XIX. All dues and penalties imposed by this Act, or by any By-law made under the authority thereof, and all rates, tolls and dues authorized to be levied under and by virtue of this Act, may be recovered by civil action or proceeding at the suit of the said Corporation, before any Court of competent Jurisdiction.

XX. The seizure of any raft or vessel which, under and by virtue of this Act the said Corporation may make for the purpose of enforcing the provisions thereof, may be effected upon the order of any Magistrate for the District of Quebec, which order such Magistrate is hereby authorized and required to give, upon the application of the said Corporation or its authorized agent, on the institution of any action before such Magistrate, for any cause rendering such raft or vessel liable to seizure, and on the affidavit of any one credible person that the cause of such action alleged in the declaration, complaint or information, before such Magistrate, is well founded in fact; and such order may and shall be executed by any constable, bailiff or other person, whom the said Corporation may choose to entrust with the execution thereof; and the said constable, bailiff or other person is hereby authorized and empowered to take all necessary means, and to demand all necessary aid, to enable him to execute the same.

XXI. The capital stock of the Company shall be fifty thousand pounds, current money of this Province, to be held in two thousand shares of twenty-five pounds each, and the shares of the said capital stock shall be transferable upon the books of the said Company, in such manner, and subject to such restrictions as shall be fixed by the By-laws of the said Company; Provided always, that no person to whom shall be allotted any stock in the said Corporation, shall be exempted from liability to the creditors thereof, or from payment of any calls thereon, by reason of any transfer which he may make of such stock, until the whole amount of the stock so allotted to him be paid in full by the holder thereof; and the stock, property and effects of the said Company shall be deemed moveable personal estate, notwithstanding the conversion of the funds, or any part thereof, into real estate.

XXII. The Directors shall have power to issue paid-up stock in the said Company, in payment of the price of real estate acquired for the purposes of this Act; and such paid-up stock shall be free from all calls whatsoever, and from all claims and demands on the part of the said Company, or of the creditors thereof, to the same extent as if the amount of the same had been regularly called in by the said Company, and paid by the holder thereof in full.

XXIII. Every person subscribing for shares of the capital stock of the said Company, shall, at the time of such subscription, pay to the Treasurer or to such other person as may be appointed by the said Trustees, or by the Directors, to receive the same, the sum of five pounds currency per share on account of such subscription, without which payment such subscription shall not be valid; and subsequent calls upon the capital stock of the said Company may be made, from time to time, by the Directors for the time being; of which calls, sixty days' notice shall be given to the stockholders, by an advertisement, three times inserted in some newspaper published in the City of Quebec; Provided always, that no such call upon the amount subscribed for shall be made within fifteen days of any previous call, nor exceed ten per centum on the whole capital, nor become payable in less than sixty days after notice thereof has been given; Provided also, that the said Directors shall not commence the construction of the said harbor, wharves, docks or railway, until ten per centum upon the capital stock of the said Company shall have been paid in.

XXIV. If any stockholder shall neglect or refuse to pay any such call or calls as shall be lawfully made as aforesaid, upon any shares, such stockholder so refusing or neglecting shall forfeit such shares, with any amount which shall have previously been paid thereon, and the said shares may be sold by the said Directors; and the sum arising therefrom, together with the amount, previously paid in, shall be accounted for and applied in like manner as other moneys of the said Company; Provided always, that, the purchaser shall pay the said Company the amount of the calls due thereon, in addition to the price of the shares so purchased by him, immediately after the sale, and before he shall be entitled to the certificate of the transfer of such shares so purchased as aforesaid; and shall hold the shares so purchased, subject to all future calls thereon; Provided also, that sixty days' notice of the sale of such forfeited shares shall be given, in the same manner as is hereinbefore provided for notice of calls, and that the instalments due and the costs incurred in advertising the sale, may be received in redemption of any such forfeited shares, at any time before the day appointed for the sale thereof; And provided also, that, nothing herein contained shall prevent the said Company from proceeding against any defaulter before any court of Justice having cognizance thereof, to compel the payment of any call or calls in arrear, if they should see fit so to do.

XXV. It shall be lawful for the said Corporation, from time to time, to borrow either in this Province or elsewhere, from any person or persons, or Company, willing to lend the same, all such sum or sums of money, not exceeding in all, at any one time, one half the paid up capital stock of the said Company, as they may find expedient; and to make the bonds, debentures or other securities they shall grant for the sums so borrowed, payable either in currency or in sterling and in sums of not less than one hundred pounds, with interest, and at such place or places, within or without this Province, as they may deem advisable; and such bonds, debentures or other securities may be made payable to bearer, or transferable by simple endorsement, or otherwise, and such bonds or debentures shall, upon enregistration in the registry office of the county wherein the said harbor and works are situate, constitute and be, a mortgage and hypothèque, ranking according to the date of such enregistration, by special privilege, upon all the property, real and personal, of the said Company, including the revenues, rates, tolls, dues and duties thereof.

XXVI. XXVII. No Stockholder in the said Corporation shall be in any manner whatsoever liable for, or charged with, the payment of any debt or demand due by the said Corporation, beyond the amount remaining unpaid of his, her or their subscribed share or shares in the capital stock of the said Corporation.

XXVIII. If at any future period the said sum of fifty thousand pounds shall be found insufficient for the purposes of this Act, it shall, be lawful for the said Company to increase their capital stock by a further sum not exceeding two hundred thousand pound's currency, subscribed either among themselves or by the admission of new Stockholders, such new stock being divided into shares of twenty-five pounds each; Provided always, that such increase be decided upon and ordered by a majority of the stockholders in value in the said Company, present in person, or by proxy, at a meeting held for the purpose.
