

Laws of His Majesty's Province of Upper Canada, passed in the year 1857. Toronto: Stewart Derbyshire & George Desbarats, 1857.

20 Victoria – Chapter 212

An Act to vest in Josiah D. Wellington a certain allowance for road in the Township of Brighton. Assented to 10th June, 1857.

Whereas the Municipal Council of the United Counties of Northumberland and Durham, have by their petition prayed, that portion of the original allowance for road between concessions A and B, of the Township of Brighton, in rear of that part of lot number thirty-three in the broken concession B of the Township of Brighton, owned by one Josiah D. Wellington, may be vested in the said Josiah D. Wellington, his heirs and assigns for ever, and have in their said petition set forth,, that the said Josiah D. Wellington has agreed to give the said Municipal Council a free conveyance of that portion of his said land taken for a gravelled road, lately constructed by the said Municipal Council and passing through his said land, in case the said part of the said allowance for road shall be vested in him in fee, and that the said part of the original allowance for road is, from the hilly nature of the ground, wholly unfit for the purposes of a road, and on account of the construction of the said gravelled road and on account of there being a public highway at a short distance to the north of the said allowance for road, both of which are used as substitutes therefor, the same is not required by the public for a road; And whereas it is expedient to grant the prayer of the said petition: Therefore, Her Majesty, by and with the advice and consent of the Legislative Council and Assembly of Canada, enacts as follows:

- I. That part of the original allowance for road between con-cessions A and B, of the Township of Brighton, in rear of that part of lot number thirty-three in broken concession B, of the said Township of Brighton, owned by Josiah D. Wellington, is hereby vested in the said Josiah D. Wellington, his heirs and assigns for ever, subject however to the provisions of any general Act that may be passed during the present Session of Parliament, for the sale of road allowances.
- II. This Act shall be deemed a Public Act.
