CAP. LXXXI.

An Act to Incorporate the Montreal School of Medicine and Surgery.

[29th March, 1845.]

WHEREAS Francis C. T. Arnoldi, Francis Badgley, Pierre Munro, William Sutherland, and Horace Nelson, all of the City of Montreal, Licensed Practitioners of Medicine and Surgery, and divers others, Students under their tuition, have, by their Petition to the Legislature, represented, that the persons above named have, for the last two years, been engaged in giving Public Lectures and instructions in the various branches of science connected with the exercise of their profession, and have for that purpose established a Public Medical School, with suitable apparatus and conveniencies, and have commenced the formation of a Library and Anatomical Museum, which they are willing to appropriate for the purposes hereinafter mentioned; and that the said Petitioners believe that if the said persons, and their successors, were incorporated and invested with the powers hereinafter mentioned, they would be able still further to increase their means of affording adequate instruction to their pupils, and would be enabled to place within their reach such means of acquiring medical knowledge as would render it unnecessary for them to spend any portion of their period of study out of this Province, and frequently out of Her Majesty's Dominions, as many are under the necessity of doing at an expense which they can ill afford, and to their disadvantage in other respects; and whereas it is expedient to grant the prayer of the said Petition: Be it therefore enacted by the Queen's Most Excellent Majesty, by and with the advice and consent of the Legislative Council and of the Legislative Assembly of the Province of Canada, constituted and assembled by virtue of and under the authority of an Act passed in the Parliament of the United Kingdom of Great Britain and Ireland, and intituled, *An Act to Re-unite the Provinces of Upper and Lower Canada, and for the Government of Canada*, and it is hereby enacted by the authority
