[Assented to 30th May, 1855.]

Preamble.

**W**HEREAS it is just and right that Cities in Upper Canada which for judicial purposes form part of the Counties in which they are situate, should pay a fair proportion of the expenses incurred for the payment of Jurors in such Counties: Be it therefore enacted by the Queen's Most Excellent Majesty, by and with the advice and consent of the Legislative Council and of the Legislative Assembly of the Province of Canada, constituted and assembled by virtue of and under the authority of an Act passed in the Parliament of the United Kingdom of Great Britain and Ireland, and intituled, *An Act to re-unite the Provinces of Upper and Lower Canada, and for the Government of Canada*, and it is hereby enacted by the authority of the same, as follows:

Municipal Corporations of Counties entitled to recover from City Corporations a portion of the expenses incurred for Jurors, under—

I. The municipal corporation of any County in Upper Canada of which any City shall form part, shall be entitled to demand and recover from the municipal corporation of any City which shall form part of such County for judicial purposes, a portion of the expenses incurred by such County, in any year, for the payment of Jurors, which portion shall be determined as follows:

14 & 15 V.  
c. 14.

From the total sum expended in the County in any year, for the payment of Jurors and fees and other disbursements under the Act passed in the Session held in the fourteenth and fifteenth years of Her Majesty's Reign, and intituled: *An Act to provide for the payment of Petit Jurors in Upper Canada*, there shall be deducted the sums paid to Jurors for attendance at the Courts of Quarter Sessions, and the sum actually received by the County in such year for fees and penalties, which under the said Act, are appropriated towards the payment of Jurors.

Portions to be borne by Cities and Counties to be in proportion to value of rateable property in each.

Of the sum remaining after such deduction, the portion to be finally borne by the City and by the County respectively, shall be in proportion to the assessed value of all the rateable property in each, and the sum to be finally borne by the City shall be that to be repaid by the municipal corporation thereof to that of the County.

Value, how reckoned.

In comparing the value of the rateable property in any City and County for the purposes of this Act, the assessed annual value shall be held to be ten per cent of the actual value.

II. The year for the purposes of this Act shall be the calendar year, and this Act shall have effect from the first day of January, one thousand eight hundred and fifty-five, so far as to enable any County to recover under it the proportion above mentioned of moneys expended for the purposes aforesaid, since that day.

Act to take effect from 1st January, 1855.

III. The actual or annual value of rateable property in a City or County for the purposes of this Act, shall be that shewn by the Assessment Rolls of each, for the year in which the expenses to be divided between them were incurred, and the portion of such expenses to be finally borne by the City shall be payable to the County immediately after the close of each year.

Annual value of rateable property to be that shewn by Assessment Rolls.

IV. The common council of any City shall have full power and they are hereby required to raise by assessment any sum of money required by such City for the purposes of this Act, or to pay such sum out of any moneys belonging to the City and applicable to municipal purposes generally.

Council of any City to have power to raise money required by City for purposes of this Act.

V. The word "County" in this Act shall include a Union of Counties for judicial purposes.
