[Assented to 30th May, 1855.]

Preamble.
Message
recited.

WHEREAS it appears by the Message of His Excellency the Governor General to both Houses of the Provincial Parliament, and the Despatch from Her Majesty's Secretary of State for the Colonies, accompanying the same, that Her Majesty's Imperial Government is willing to surrender to the Province all the Ordnance Lands therein, whether acquired by purchase or otherwise, and all the Naval and Military Reserves therein, with the exception of such portions thereof at Kingston, Montreal and Quebec, as are essential to the Military defence of the Colony by Her Majesty's Troops, on an understanding that the Provincial Government shall make ample provision for the maintenance of peace and order within the limits of the Province; And whereas it will be for the honor and advantage of the Province that the said offer be accepted, and Her Majesty's faithful Canadian subjects, well knowing that the strength of the Empire would, in case of need, be put forth in order to defend any part of it from aggression, are willing to take upon themselves the maintenance of peace and order within the Country: Be it therefore enacted by the Queen's Most Excellent Majesty, by and with the advice and consent of the Legislative Council and of the Legislative Assembly of the Province of Canada, constituted and assembled by virtue of and under the authority of an Act passed in the Parliament of the United Kingdom of Great Britain and Ireland, and intituled, *An Act to re-unite the Provinces of Upper and Lower Canada, and for the Government of Canada*, and it is hereby enacted by the authority of the same, as follows:

I. Whenever Her Majesty's Imperial Government shall be ready to transfer to the Provincial Government the aforesaid Lands and Property now vested in the Principal Officers of Her Majesty's Ordnance, or in the Commissioners for executing the Office of Lord High Admiral of the United Kingdom of Great Britain and Ireland, the Governor of this Province may on behalf thereof by Order in Council accept such transfer on such terms and conditions as may be agreed upon.

The Governor in Council may agree with the Imperial Government for the transfer of the said lands.

II. The Lands and Reserves aforesaid shall for the purposes of this Act be divided into three classes, that is to say: one class to be denominated A, which shall include the portions of the lands at Kingston, Montreal and Quebec, to be retained for occupation by Her Majesty's Troops; another class to be denominated B, which shall be retained for the defence of the Province; and a third class to be denominated C, which may be sold, leased or otherwise used as to the Governor in Council may from time to time seem meet.

Lands to be divided into three classes.

III. Such portions of the lands included in class B, as it shall be deemed necessary by the Governor in Council and the Officer commanding Her Majesty's Regular Forces in the Province to occupy for the defence of the Province in time of peace, shall be so occupied by such force as shall be from time to time selected for that service by the Governor in Council, and shall be kept in proper order and repair at the expense of the Province; and any portion of the lands so retained for the defence of the Province which it shall not be deemed necessary to occupy as aforesaid may be leased or otherwise used in such manner as the Governor in Council may think most for the advantage of the Province.

As to lands which ought to be retained for the defence of the Province.

IV. Provided always, and be it enacted, that the several Lands and Reserves aforesaid shall be divided into the said three classes A B and C, in such manner as may be agreed upon between the Principal Officers of Her Majesty's Ordnance and the Governor General in Council.

Governor in Council and Principal Officers to agree on the division.

V. The moneys arising from the lease or use of any of the lands or property included in class B as aforesaid, or from the sale, lease or use of any of the lands or property included in class C as aforesaid respectively, or otherwise derived therefrom, shall be paid over to the Receiver General, and shall form part of the Consolidated Revenue Fund of this Province: but separate accounts shall be kept thereof, and in any account or statement of the expenses incurred for purposes relative to the Provincial Militia or Police, the said moneys shall be taken into account and credited in deduction of the said expenses.

Application of moneys arising from such lands.

Separate accounts to be kept of them, &c.

CAP. XCII.

An Act to amend the Criminal Law of this Province.

[Assented to 30th May, 1855.]

Preamble.

WHEREAS offenders frequently escape conviction on their trials by reason of the technical strictness of criminal proceedings in matters not material to the merits of the case, and it is desirable that such technical strictness shall be relaxed; And whereas other beneficial alterations may be made in the Criminal Law: Be it therefore enacted by the Queen's Most Excellent Majesty, by and with the advice and consent of the Legislative Council and of the Legislative Assembly of the Province of Canada, constituted and assembled by virtue of and under the authority of an Act passed in the Parliament of the United Kingdom of Great Britain and Ireland, and intituled, *An Act to re-unite the Provinces of Upper and Lower Canada, and for the Government of Canada*, and it is hereby enacted by the authority of the same, as follows:

Court may order indictment to be amended to meet variances appearing at the trial but immaterial to the merits.

I. From and after the passing of this Act, whenever on the trial of any indictment for any felony or misdemeanor there shall appear to be any variance between the statement in such indictment and the evidence offered in proof thereof, in names, dates, places, or other matters or circumstances therein mentioned, not material to the merits of the case, and by the misstatement whereof, the person on trial cannot be prejudiced in his defence on such merits, it shall and may be lawful for the Court before which the trial shall be had, to order such indictment to be amended according to the proof, by some officer of the Court or other person, both in that part of the indictment where such variance occurs, and in every other part of the indictment which it may become necessary to amend, on such terms as to postponing the trial to be had before the same or another jury as such Court shall think reasonable; and after any such amendment the trial shall proceed, whenever the same shall be proceeded with, in the same manner in all respects and with the same consequences, both with respect to the liability of witnesses to be indicted for perjury, and otherwise, as if no such variance had occurred, and in case such trial shall be had at *Nisi Prius*, the order for the amendment shall be endorsed on the indictment and returned therewith, and all other rolls and proceedings connected therewith shall be amended accordingly by the proper officer, and in all other cases the amendment shall be endorsed on or filed with the indictment, and returned among the proper records of the Court; Provided always, that when such trial shall be had before a second jury, the Crown and the Defendant shall be respectively entitled to the same challenges as they were respectively entitled to before the first jury were sworn.

Proceedings after amendment.

Proviso: as to challenges in case of a second Jury.

II. Every verdict and judgment which shall be given after the making of any amendment under the provisions of this Act, shall be of the same force and effect in all respects as if the indictment had originally been in the same form in which it was after such amendment was made.

As to verdict and judgment after amendment.

III. If it shall become necessary at any time for any purpose whatever, to draw up a formal record in any case where any amendment shall have been made as aforesaid, such record shall be drawn up in the form in which the indictment was after such amendment was made, without taking any notice of the fact of such amendment having been made.

Formal record after amendment, how to be drawn up.

IV. In making up the record of any conviction or acquittal on any indictment, it shall be sufficient to copy the indictment with the plea pleaded thereon, without any formal caption or heading whatever, and the statement of the arraignment and the proceedings subsequent thereto, shall be entered of record in the same manner as before the passing of this Act, subject to any such alterations in the forms of such entry, as shall or may from time to time be prescribed by any rule or rules of the Judges of the Superior Courts of Common Law of Upper Canada, and of the Queen's Bench in Lower Canada.

An Act to provide temporarily for the payment of Petty Jurors in Lower Canada, and to make better provisions for the payment of certain judicial officers in that part of the Province.

[Assented to 30th May, 1855.]

Preamble.

WHEREAS a considerable time must necessarily elapse before it will be possible to enact and bring into operation in Lower Canada a system of Judicature founded upon a principle of more extended decentralization, by which a large proportion of the expenses and inconvenience attending the existing system might be avoided, and it is therefore expedient to remedy one of the greatest evils arising out of the present system, by making temporary provisions for the payment of persons summoned to attend as Petty Jurors at the Courts of Criminal Jurisdiction, from places remote from those at which the sittings of such Courts are held; And whereas it would not be right to charge the County Municipalities with the expenses incurred in the prosecution of offences, the greater portion of which is committed in, or in the neighbourhood of, the large Towns and Cities where the Courts now sit: Be it therefore enacted by the Queen's Most Excellent Majesty, by and with the advice and consent of the Legislative Council and of the Legislative Assembly of the Province of Canada, constituted and assembled by virtue of and under the authority of an Act passed in the Parliament of the United Kingdom of Great Britain and Ireland, and intituled, *An Act to re-unite the Provinces of Upper and Lower Canada, and for*
the

the Government of Canada, and it is hereby enacted by the authority of the same, as follows :

I. A sum not exceeding five shillings shall be paid by the Sheriffs of the respective Districts of Lower Canada, to each and every person who shall serve as a Petty Juror before any Court of Criminal Jurisdiction, for every day he shall by reason of his being such Juror, be necessarily absent from his usual place of abode ; except that no such remuneration shall be granted to any Petty Juror whose usual residence is situate within the limits of the City, Town or Village in which the Court is held.

Five shillings a day allowed to Petty Jurors of Criminal Courts.

Except Jurors residing where the Court is held.

II. Sums not amounting in the whole to more than Five thousand pounds currency, may be advanced to the said Sheriffs respectively, by warrant of the Governor, out of the Consolidated Revenue Fund of this Province, in such proportion and at such times as to the Governor in Council shall seem fit, for the purpose of enabling the said Sheriffs to pay the allowance to Petty Jurors authorized by the next preceding Section.

Advances to Sheriffs to pay the said allowance.

III. Separate accounts shall be kept of all moneys disbursed under the preceding sections of this Act, to the end that an equal sum may be appropriated by Parliament for the several City and County Municipalities in Upper Canada, for the general purposes of such Municipalities, and to be divided among them in proportion to their population by the last Census.

An equal sum to be allowed to U. C.

IV. And whereas it is expedient further to amend the Act passed in the Session held in the thirteenth and fourteenth years of Her Majesty's Reign, intituled, *An Act to assign fixed Annual Salaries to certain Officers of Justice in Lower Canada, and to form a Special Fund out of the Salaries, Fees, Emoluments and Pecuniary Profits attached to their Offices, and the Act passed in the sixteenth year of Her Majesty's Reign, intituled, An Act to amend the Acts assigning fixed Annual Salaries in lieu of Fees, to certain Officers of Justices in Lower Canada*, so that the provisions of the said Acts may apply to certain Judicial Officers in the Districts of Gaspé, Kamouraska and Ottawa, and to increase the Fund created by the said Act, so that it may be sufficient to permit more adequate Salaries to be paid out of it to the Officers hereinafter mentioned : Be it therefore enacted, that the salaries, fees, emoluments and pecuniary profits attached to the Offices hereinafter mentioned connected with the administration of justice in the Districts of Gaspé, Kamouraska and Ottawa in Lower Canada, to wit, the offices of Sheriff, Prothonotary, Clerk of the Crown and Clerk of the Peace, of those Districts, and of Clerk of the Circuit Court of the Percé, New Carlisle, Kamouraska and Ottawa Circuits, Crier, Assistant Crier or Tipstaff of the Circuit Court in any District, shall form part of the *Officers of Justice Fee Fund*, created by the Acts above mentioned, in like manner as the salaries, fees, emolument,

I. Notwithstanding any thing in the twenty-eighth and twenty-ninth Sections or in any other part of the said Act contained, any constituted rent (*rente constituée*) established by virtue thereof in any Seignior, in relation to which an opposition shall have been filed under any of the provisions of the said Act, may, at any time be redeemed by payment to the Receiver General of the capital thereof with interest computed up to the date of such redemption :

And if upon hypothecary claims.

And if they accrue in a Seignior in relation to which such opposition has been made by reason of hypothecary claims thereon, and not upon the ground of the same being entailed or held in trust as aforesaid, the Receiver General shall deal with such moneys in the same manner as with money accruing to the Seignior out of the Special Fund appropriated by the said Act in aid of the *Censitaires*.

In other Seignories *Censitaires* to have eight days in each year on which to redeem.

3. And in every Seignior the Seignior whereof shall have the right to receive the capital of the *rentes constituées* to be established under the said Act, such *rentes* may be redeemed without the consent of the Seignior by payment of the capital thereof to the Seignior or to his Agent either on the day on which such *rente* shall annually become due or on any one of the seven days immediately following; and whenever the capital of any such *rente* shall have been duly tendered to any such Seignior, or to his Agent, on any one of the said days, and the same, or a receipt therefor, shall have been refused, such *rente* shall become redeemable at any time thereafter.

Act of L. C. 48 G. 3, c. 6, repealed as to such Seigniories.

III. And whereas under the said Act no mutation fine will be payable on any mutation of land in a Seignior subject to its provisions, or of such Seignior itself, occurring after the publication of the notice of the deposit of the Schedule thereof, and there is therefore a strong temptation to defer mutations until after such publication, or to conceal the fact of their being made before it, to the great inconvenience and loss of all parties; And whereas some time will elapse before the Schedules of all the Seigniories can be completed; And whereas the appropriation in aid of the *cessitaires* made by the said Act was made with the intent that it should take effect immediately, and until it is payable, the interest upon the loan necessary to raise the sum required, is saved to the Province: Be it therefore enacted, That no *lods et ventes, quint, relief* or other mutation fine, shall accrue upon any mutation which shall take place after the passing of this Act, in any Fief or Seignior to which the said Seigniorial Act of 1854 as amended by this Act extends or applies, but instead thereof the Receiver General shall credit the Fund appropriated by the said Act in aid of the said *cessitaires*, with interest from the passing of this Act on the total amount of the appropriation, and the *rente constituée* payable by any Seignior to his Seignior Dominant shall accrue from the passing of this Act; And if the Schedules of all the Seigniories be not deposited by the first day of January one thousand eight hundred and fifty-six, so that the said Fund can be finally divided among them, the Commissioners under the said Act, or any one or more of them authorized for that purpose by instructions from the Governor through the Provincial Secretary, shall, forthwith, make an approximate estimate of the share thereof coming to each Seignior or Seignior Dominant, to the best of their ability and according to the best information they can obtain, and the interest from the passing of this Act on the share coming to each Seignior or Seignior Dominant, shall be paid to him on the first day of January and July, until his share shall be finally ascertained, when the amount so paid shall be debited to him, and he shall be credited with the interest from the passing of this Act on his share as so ascertained, and the difference shall be balanced by crediting or debiting him, as the case may require, in his account with the Receiver General in respect of such share, with a sum equal to such difference; and for the purpose of making such approximate estimates as aforesaid, the said Commissioners may require and receive from the several Seigniors such statements, attested on oath before a Judge of the Superior Court or a Circuit Judge, as they shall consider expedient for the purpose: Provided always, that the sum paid by the Receiver General as interest under this section, shall be taken into account in ascertaining

Recital-

No mutation fine to be hereafter payable in Seigniories to which the said Act applies; interest on the sum to which he may be entitled out of the Provincial aid to the *Cessitaire*, to be payable to the Seignior instead thereof and approximate estimate to be made until the Schedules are prepared.

Proviso: as to the claims of U. C.

the sum to which Upper Canada may be entitled for local purposes under section nineteen of the said Act.

Retrait conventionnel abolished.

IV. The right of *retrait conventionnel* which the Seigneur was allowed to stipulate solely for the purpose of securing to him the payment of mutation fines is hereby abolished.

Receiver General may invest moneys appropriated by the said Act, and not immediately required.

V. The Receiver General shall, from time to time, place any moneys in his hands as part of the Fund appropriated by the said Act, and not then required for the purposes thereof, at interest in any Chartered Bank, or invest the same in Provincial Debentures or Debentures guaranteed by the Province, and shall apply the interest thereon towards making good that allowed under this Act.

Doubts as to certain powers of the Commissioners removed.

VI. And for the avoidance of doubts, Be it declared and enacted, That any Commissioner under the said Act may give any notice required by the seventh section or by any other part thereof, with respect to any Seigniority or Seigniories, and another or others of them may afterwards act in any way under the said Act with respect to such Seigniority or Seigniories; and generally, each Commissioner who shall act with respect to any Seigniority, shall be held to be the Commissioner assigned to act in and for the same under the fourth section of the said Act, unless the Governor shall have otherwise directed and ordered.

The said Act shall apply to certain lands in Sherrington.

VII. So much of the said Seigniorial Act of 1854, as provides that none of its provisions shall apply to any lands held *en franc alev noble*, and granted under and by virtue of the Act of the Parliament of the late Province of Lower Canada passed in the third year of the Reign of His late Majesty King George the Fourth, and intituled, *An Act for the relief of certain Censitaires or Grantees of La Salle and others therein mentioned possessing lands within the Township of Sherrington*, shall be and is hereby repealed, and the said Act shall apply to the said lands; but inasmuch as the decision of the Special Court to be constituted under the sixteenth Section of the said Seigniorial Act of 1854, cannot affect the said lands, therefore the Schedule relating thereto may be completed and deposited without waiting for the decision of the said Special Court.

Schedules may be made for the Crown Seigniories, held for Provincial purposes.

VIII. Notwithstanding any thing in the said Seigniorial Act of 1854, Schedules may, if the Governor shall see fit so to direct, be made under the provisions thereof for the Seigniories held by the Crown and the revenues whereof belong to the Province, including the Seigniories of the late order of Jesuits, in like manner and under the same provisions as for other Seigniories (omitting such particulars as cannot apply to Crown Seigniories), and with like powers to the Commissioners: Provided that no part of the appropriation in aid of the *Censitaires* made by the said Act, shall be applied towards the redemption of Seigniorial rights

rights in such Crown Seigniories, nor shall any such Schedule be deposited in the manner provided in the thirteenth Section of the said Act, or operate any compulsory commutation of tenure, or substitution of any *rente constituée* for the Seigniorial rights and dues in such Seigniorie; but the Governor in Council may, if he see fit, allow to the *Censitaires* in the said Seigniories, upon commutation of their lands, equal advantages and relief with those which the *Censitaires* in other Seigniories shall be found to obtain under the said Act, and the Schedules made under this Section shall serve as the basis for calculating the extent of such advantages and relief to be so allowed to the *Censitaires* in the said Crown Seigniories.

Effect and use of such Schedules.

IX. And whereas some errors have crept into the French version of the said Act which it is desirable to correct: Be it enacted, that in the said French version, for the words "*tel que distingué*" in the eighth line of the fourth paragraph of the fifth section of the said Act, the words "*comme étant distinct*" shall be substituted; and for the words "*quinze jours d'avis*" in the fourth line of the sixth paragraph of the twelfth section, the words "*huit jours d'avis*" shall be substituted,—the lines herein referred to being those in the first official edition of the said Act printed by the Queen's Printer.

Errors in French version of the said Act, corrected.

X. After any Schedule shall have been completed and deposited under the said Act, it shall not be impeached or its effect impaired for any informality, error or defect in any prior proceeding in relation to it, or in any thing required by the said Act to be done before it was so completed and deposited, but all such prior proceedings and things shall be held to have been rightly and formally had and done, unless the contrary expressly appear on the face of such Schedule; and the same rule shall apply to all proceedings of the Commissioners under the said Act, so that no one of them, when completed, shall be impeached or questioned for any informality, error or defect in any previous proceeding, or in any thing theretofore done or omitted to be done by the Commissioners or any of them.

Schedules and proceedings completed under the said Act, not to be afterwards impeached for want of form.

XI. For the purposes of the said Act, every person occupying or possessing any land in any Seigniorie with the permission of the Seignior, or from whom the Seignior shall have received *rentes* or other Seigniorial dues in respect of such land, shall be held to be the proprietor thereof as *Censitaires*.

Certain persons occupying lands with consent of Seignior to be deemed *Censitaires*.

XII Any person who shall in any manner interrupt, obstruct, impede or molest a Commissioner named under "The Seigniorial Act of 1854," or any person acting under his instructions, in the execution of his duty in any matter connected with the carrying into effect of the said Seigniorial Act of 1854 or of this Act, or shall in any manner deter, prevent or hinder, by force, threats or otherwise, any such Commissioner or person acting under his instructions from performing any

Persons unlawfully impeding in any way the execution of the said Act, how to be dealt with and punished.

Conviction not to be quashed for want of form, &c.

any duties assigned to him by and under either of the said Acts, shall be liable to be imprisoned for every such offence for a period not exceeding two months, and it shall be lawful for any one Justice of the Peace to commit any person convicted before him on the oath of one credible witness of any such offence; and no conviction, order, warrant or other matter made or purporting to be made under this Act, shall be quashed for want of form, or be removed, by *certiorari* or otherwise, into any of Her Majesty's Courts of record for want of such form.

Short title of this Act.

XIII. In citing or referring to this Act in any Act or proceeding whatsoever, it shall be sufficient to refer to it as the "*Seigniorial Amendment Act of 1855*," by which title it shall be known and called.

Preamble.

WHEREAS Grants of Land have frequently been made by the Crown to Trustees, and Lands have in many instances been acquired by purchase and by Donations from individuals for the use of various Congregations and Religious Bodies in Upper Canada, and such Congregations and Religious Bodies are unable to manage such Lands advantageously from the want of power to bind the Successors of any Trustees entering into agreements for leasing or otherwise disposing of such portions thereof as may not be immediately required for the use of the respective Congregations or Religious Bodies, and it is expedient to grant such power and authority: Be it therefore enacted by the Queen's Most Excellent Majesty, by and with the advice and consent of the Legislative Council and of the Legislative Assembly of the Province of Canada, constituted and assembled by virtue of and under the authority of an Act passed in the Parliament of the United Kingdom of Great Britain and Ireland, and intituled, *An Act to re-unite the Provinces of Upper and Lower Canada, and for the Government of Canada*, and it is hereby enacted by the authority of the same:

Trustees may lease lands for 21 years, and make such leases renewable on terms to be fixed in a certain manner, or may bind their successors to pay for improvements, &c.

I. That the Grantees named in any Letters Patent from the Crown or the Survivors or Survivor of them, or the Trustees for the time being appointed in manner prescribed in such Letters Patent, and the Trustees entitled by Law to hold any Lands in Trust for the use of any Congregation or Religious Body for the time being, shall from and after the passing of this Act, have full power and authority to demise or lease for any term not exceeding Twenty-one years, any Lands held by them in trust for the use and benefit of their respective Congregations or Religious Bodies or Societies, at such Rent and upon such terms as they or a majority of them shall deem reasonable and just, and that such Trustees shall have authority to execute such Leases as may be necessary for periods not exceeding Twenty-one years, and to enter into any Covenant or agreement therein, which shall bind their Successors for the renewal of any such Lease or Leases at the expiration of any or every term of Twenty-one years for a further period or term of Twenty-one years or lesser period, at such Rent and on such terms as may then by the Trustees for the time being be agreed upon with the Lessee, his Heirs or Assigns, or for the payment to the Lessee, his Heirs or Assigns, of the value of any Buildings

Buildings or other Improvements which may at the expiration of any Term be on the demised premises, and that the mode of ascertaining the amount of such Rent or the value of such improvements may be stipulated and agreed upon and specified in such original Lease or Leases, and such stipulation or agreement shall be binding on the Trustees for the time being and may be enforced by any Court of Law or Equity having Jurisdiction in such cases.

II. Provided always that in any case in which a majority of Trustees or a majority of them may execute a lease under this Act for the unexpired portion of any term already granted, altho' it exceed 21 years.

any such Grantees, or of the Survivors, or the Survivor, of them, or a majority of any such Trustees for the time being as aforesaid, may before the passing of this Act, have entered into an agreement or contract in writing, with any person for the leasing of any portion of such lands for any term of years, it shall and may be lawful for such Grantees or the Survivors or Survivor of them, or the majority of such Trustees for the time being, to execute a Lease or Leases of the land, for the unexpired portion of the term, and with the conditions and stipulations mentioned in such agreement or contract, although such term or the unexpired portion thereof exceed twenty-one years; and the execution of such a lease may be enforced by the party having a right to claim the same, his heirs or assigns.

III. And be it further enacted, that the Trustees for the time being entitled by Law to hold Lands in trust for any Congregation or Religious Body shall have power in their own names or by any name or designation by which they may hold such Lands, to sue or to distrain for any Rent in arrear, and to take all such lawful ways and means for the recovery thereof as Landlords in other cases are now by law entitled to take to enforce the payment of Rents.

Trustees may sue or distrain for rent in arrear, and in what name.

IV. An Act to explain and amend the Act establishing the Court of Error and Appeal in Upper Canada.

[Assented to 30th May, 1855.]

WHEREAS in appeals under the Act passed in the twelfth year of the reign of Her Majesty Queen Victoria, and intituled, *An Act to make further provision for the administration of Justice, by the establishment of an additional Superior Court of Common Law, and also a Court of Error and Appeal in Upper Canada, and for other purposes*, from judgments, orders or decrees directing the payment of money, the perfecting of the security for such appeal may be deemed, notwithstanding the provisions of the said Act, not to be a stay of execution in the original cause, if execution shall have issued and a levy shall have been made by the Sheriff under the same, before the said security shall be perfected as directed by the said Act; And whereas it is proper that the perfecting of such security should operate to save the party or parties so appealing and desiring to stay execution, from being compelled to pay the said judgments, orders or decrees in the meantime: Be it therefore enacted by the Queen's Most Excellent Majesty, by and with the advice and consent of the Legislative Council and of the Legislative Assembly of the Province of Canada, constituted and assembled by virtue of and under the authority of an Act passed in the Parliament of the United Kingdom of Great Britain and Ireland, and intituled, *An Act to re-write the Provinces of Upper and Lower Canada, and for the Government of Canada*, and it is hereby enacted by the authority of the same, as follows:

I. So soon as the security for appeal from judgments, orders or decrees directing the payment of money, shall be perfected according to the said Act and the rules of Court framed under the same, and such security shall have been allowed as thereby directed, it shall and may be lawful for the Appellant or Appellants, his or their Attorney, to apply to any Judge of either of the Superior Courts of Common Law or of the Court of Chancery of Upper Canada, and upon proof before such Judge that such security has been allowed under the said rules, it shall be lawful for such Judge, in his discretion, to issue his *fiat* to the Sheriff to whom any such execution may have issued, to stay the execution thereof, and the said execution shall thereby be deemed to be stayed whether a levy shall have been made under it or not.

On completion of Security, Appellant may obtain a Judge's order to stay execution.

If the money has been made but not paid over, it shall be paid to Appellant.

II. If, at the time of the receipt by such Sheriff of such *fiat* or a copy thereof, the money shall have been made or received by him under any execution in such original cause as aforesaid, but not paid over by him to the party who issued the execution, his Attorney or Agent, it shall be lawful for the party or parties so appealing and desiring to stay such execution, to demand back from such Sheriff the amount he may have made or received under such execution, or so much thereof as may be in his hands not paid over as aforesaid, and in default of payment by the said Sheriff upon such demand, to recover the same from him in an action for money had and received.

Commencement of Act: It shall not affect suits now pending.

III. This Act shall take effect from and after the first day of June next after its passing, and shall not in any manner affect any suit at Law or in Equity instituted before its passing.

An Act to amend the law as to Dormant Equities.

[Assented to 30th May, 1855.]

Preamble.

WHEREAS by the Act to establish a Court of Chancery in Upper Canada, it was provided that the rules of decision in the said Court should be the same as governed the Court of Chancery in England; And whereas in regard to Mortgages under which, before the passing of the said Act, the estate had become absolute in law by failure in performing the condition, the said Act, after reciting that from the want of an equitable jurisdiction, a strict application to such cases of the rules established in England might be attended with injustice, did in effect enact that the Court so established should have power and authority to make such Order and Decree as to the said Court might appear just and reasonable under all the circumstances of the case, subject to the appeal thereby provided; And whereas in regard to claims upon or interests in real estate, arising before the passing of the said Act, it is just to restrict the future application of the said rules of decision to cases of fraud, and in regard to other cases, it is expedient to extend thereto in manner hereinafter provided, the power and authority so given as aforesaid to the said Court in cases of Mortgages: Be it therefore enacted by the Queen's Most Excellent Majesty, by and with the advice and consent of the Legislative Council and of the Legislative Assembly of the Province of Canada, constituted and assembled by virtue of and under the authority of an Act passed in the Parliament of the United Kingdom of Great Britain and Ireland, and intituled, *An Act to re-unite the Provinces of Upper and Lower Canada, and for the Government of Canada*, and it is hereby enacted by the authority of the same, as follows:

In regard to any other equitable claim or right, which may have arisen before the passing of the said Act, the said Court shall have power and authority (subject to appeal) to make such Order and Decree as may appear to the said Court just and reasonable, under all the circumstances of the particular case, provided that the suit is brought within twenty years from the time when the right or claim arose; and no further time shall be allowed for bringing any such suit, notwithstanding any disability of the claimant or of any one through whom his right accrued.

Preamble.

12 V. c. 35. **W**HEREAS it appears by the Petition of the Inhabitants and Municipality of the Township of Wolfe Island, in the County of Frontenac, that serious evils would result to the proprietors of the lands in the said Township, if the division or side lines of the lots were drawn parallel to the governing boundaries, as provided by the thirty-seventh section of the Act of the Legislature of this Province, passed in the twelfth year of Her Majesty's Reign, and intituled, *An Act to repeal certain Acts therein mentioned, and to make better provision respecting the admission of Land Surveyors and the Survey of lands in this Province*; And whereas the said Inhabitants and Municipality have expressed their desire that the division or side lines of the lots in the said Township be drawn from the posts at one front of the concession to the posts bearing the same numbers at the other front thereof, without regard to the course of the base line of the Township, and it is expedient to grant their prayer: Be it therefore enacted by the Queen's Most Excellent Majesty, by and with the advice and consent of the Legislative Council and of the Legislative Assembly of the Province of Canada, constituted and assembled by virtue of and under the authority of an Act passed in the Parliament of the United Kingdom of Great Britain and Ireland, and intituled, *An Act to re-write the Provinces of Upper and Lower Canada, and for the Government of Canada*, and it is hereby enacted by the authority of the same, as follows :

I. For and notwithstanding any thing to the contrary in the thirty-fifth, thirty-seventh and thirty-ninth sections of the Act cited in the preamble to this Act, all the division or side lines of the lots in the said Township shall be drawn from the posts at one front of the concession to the posts bearing the same numbers at the other front thereof.

[Assented to 19th May, 1855.]

WHEREAS the owners of land in the Township of Smith, Preamble.
 in the County of Peterborough, have set forth by their petition, that owing to the Township being nearly surrounded by water, and to the irregularity of the original survey thereof, it is necessary to determine the course on which the division or side lines of the Lots in all the Concessions, except the first three, should be drawn, and have expressed their desire that the course of the said division or side lines of the Lots be established in the manner hereinafter provided, and it is expedient to grant their prayer: Be it therefore enacted by the Queen's Most Excellent Majesty, by and with the advice and consent of the Legislative Council and of the Legislative Assembly of the Province of Canada, constituted and assembled by virtue of and under the authority of an Act passed in the Parliament of the United Kingdom of Great Britain and Ireland, and intituled, *An Act to re-unite the Provinces of Upper and Lower Canada, and for the Government of Canada*, and it is hereby enacted by the authority of the same, as follows:

I. For and notwithstanding any thing to the contrary in the thirty-fifth, thirty-seventh and thirty-ninth sections of the Act of the Legislature of this Province, passed in the twelfth year of Her Majesty's Reign, intituled, *An Act to repeal certain Acts therein mentioned, and to make better provision respecting the admission of Land Surveyors, and the Survey of lands in this Province*, the mean course of that part of the south-western boundary of the said Township of Smith, which constitutes the governing boundaries of the first, second and third Concessions thereof, determined in the manner prescribed in the thirty-ninth section of the Act above cited, shall be and the same is hereby declared to be the course of the division or side lines of the Lots and of any lines required to run parallel with the division or side lines of the Lots, in all the Concessions of the said Township, except the first, second and third, and those fronting on the Centre Communication Road.

An Act to repeal the Act confirming a certain allowance for Road in the Township of Monaghan.

[Assented to 19th May, 1855.]

Preamble.
16 V. c. 228.

WHEREAS owing to an error in the Act passed in the sixteenth year of Her Majesty's Reign, and intituled, *An Act to confirm a certain allowance for Road in the Township of Monaghan, and to provide for the compensation of persons suffering loss by the confirmation of such allowance*, by which the eastern limit of the said road allowance is declared to be the rear boundary of the Park lots numbered from number one to number ten inclusive, in the twelfth concession of the Township of Monaghan aforesaid, instead of the rear boundary of the Park lots numbered from number one to number twenty inclusive, the Act is inoperative; And whereas the said Act by derogating from the provisions of the general Act, (twelfth Victoria, chapter thirty-five,) in so far as relates to the easterly limit of lot number twelve in the twelfth Concession of the Township of Monaghan and establishing an erroneous limit instead thereof, interferes with the vested rights of the proprietors of the aforesaid lot number twelve in the twelfth Concession, and it is expedient that the Act first above cited be repealed, and that the provisions of the said general Act be left to their operation in the premises: Be it therefore enacted by the Queen's Most Excellent Majesty, by and with the advice and consent of the Legislative Council and of the Legislative Assembly of the Province of Canada, constituted and assembled by virtue of and under the authority of an Act passed in the Parliament of the United Kingdom of Great Britain and Ireland, and intituled, *An Act to re-unite the Provinces of Upper and Lower Canada, and for the Government of Canada*, and it is hereby enacted by the authority of the same, as follows :

An Act to confirm the present boundaries of certain Lots
in the Township of Winchester.

[Assented to 19th May, 1855.]

WHEREAS it appears by the plans and field notes of the original Survey of the township of Winchester, in the County of Dundas, performed by Deputy Provincial Surveyor Lewis Grant, in the year one thousand seven hundred and ninety-eight, that he laid out a commons fifteen chains in width between the eastern boundary of the township and lots number twenty-four in the several concessions he surveyed; And whereas the commons aforesaid has not been laid down on the plan of the township by Deputy Surveyor John Stegmann, who surveyed the third concession, nor on the plan thereof signed Wm. Chewett, Senior, Surveyor, Upper Canada, and dated Williamsburgh, tenth of April, one thousand seven hundred and ninety-four, and on which the entries of the grants of the lots in the said township were made; And whereas it appears by the memorial of certain freeholders, householders and inhabitants of the said township, that owing to the original posts on the concession lines of the township having decayed or having been destroyed, all trace of the commons aforesaid disappeared, and that all the boundaries of the lots in the said township, excepting a few lines recently run in the eleventh concession, have for the last thirty years been established without leaving a commons, in the full assurance that none had been left in the original survey, and in all cases dividing the surplus land according to law; And whereas no part of the said commons has been sold or granted by the Government, and serious injury would be sustained by the proprietors of the lands in the said township, if a re-survey thereof was made, leaving a commons, and it is therefore expedient to comply with the request of the said proprietors by abolishing the said commons: Be it therefore enacted by the Queen's Most Excellent Majesty, by and with the advice and consent of the Legislative Council and of the Legislative Assembly of the Province of Canada, constituted and assembled by virtue of and under the authority of an Act passed in the Parliament of the United Kingdom of Great Britain and Ireland, intituled, *An Act to re-unite the Provinces of Upper and Lower Canada, and for the Government of Canada*, and it is hereby enacted by the authority of the same, as follows:

I. For and notwithstanding any thing to the contrary contained in the Act of the Legislature of this Province, passed in the twelfth year of Her Majesty's Reign, and intituled, *An Act to repeal certain Acts therein mentioned and to make better provision respecting the admission of Land Surveyors and the Survey of Lands in this Province*, the aforesaid survey of the said Deputy Provincial Surveyor Lewis Grant of the commons aforesaid, shall

Costs and deposit of plan.

III. From and after the time when the said Survey so to be made under the direction of the said Municipal Council shall have been approved of and accepted by them, the allowances for roads as reserved and established by the original Letters Patent from the Crown, shall be and remain for ever thereafter closed up, and whenever the same shall adjoin the Lands of any person or persons from whom any Land may be taken under the provisions of this Act for the purpose of opening and establishing the Road allowances according to the original Survey, the same or so much thereof as shall be equal in quantity to the Land so taken, shall immediately vest in and become the property of such person or persons, his or her heirs and assigns, and shall be accepted and received by him, her or them in lieu of and as full and ample compensation therefor.

Allowances for Roads mentioned in Letters Patent to be closed up; in whom the land shall be vested.

IV. When any person or persons whose Land shall be so taken as aforesaid, shall not receive an equivalent in Land under the provisions of the next foregoing section of this Act, it shall and may be lawful for the Municipal Council of the said Township, out of any funds in their hands belonging to the said Township, to remunerate such person or persons for the Land and buildings which shall be so taken for the purposes aforesaid; and in the event of the parties not being satisfied with the amount proposed to be paid by the said Municipal Council, it shall be the duty of the said Council to select an Arbitrator and the owner of the land shall select another, and the Judge of the County Court of the County of Lincoln shall name a third Arbitrator, and the three Arbitrators so chosen shall proceed to determine the value of the Land, first giving to each of the parties interested, eight days' notice of the time and place
