**An Act for the establishment and maintenance of Common Schools in Upper Canada. 9th December, 1843.**

Whereas it is expedient to make provision for the establishment and maintenance of Common Schools in that part of this Province called Upper Canada, and also for the establishment and maintenance of Model Schools therein; Be it therefore enacted by the Queen's Most Excellent Majesty, by and with the advice and consent of the Legislative Council and of the Legislative Assembly of the Province of Canada, constituted and assembled by virtue of and under the authority of an Act passed in the Parliament of the United Kingdom of Great Britain and Ireland, intituled, *An Act to re-unite the Provinces of Upper and Lower Canada, and for the Government of Canada*, and it is hereby enacted by the authority of the same, that the Secretary of this Province shall, ex-officio, be Chief Superintendent of the Common Schools of Upper Canada aforesaid, subject nevertheless to all lawful orders and directions in the exercise of his duties as such Chief Superintendent, as shall from time to time be issued or given in that behalf by the Governor of this Province.

II. And be it enacted, that it shall and may be lawful for the Governor of this Province, from time to time, to appoint an Assistant Superintendent of Common Schools for Upper Canada aforesaid, who shall act in all things under the direction of the said Chief Superintendent.

III. And be it enacted, that on or before the first day of March in each year, it shall be the duty of the said Chief Superintendent, after deducting any sum which shall be set apart for the maintenance of Model Schools, as hereinafter provided, to apportion any sum or sums of money, appropriated by the Legislature for Common Schools in Upper Canada aforesaid for the year under or by virtue of any Act passed or to be passed in that behalf, and that such apportionment shall be made according to the ratio of population of each County, Township, Town or City, as compared with the population of Upper Canada, according to the Census of population which shall last have been taken, and returned at the time of such apportionment.

IV. And be it enacted, that when the Census or returns upon which an apportionment is to be made shall be so far defective in respect of any County, Township, Town or City, as to render it impracticable for the Chief Superintendent to ascertain the share of School Moneys which ought to be apportioned thereto, and whenever, in consequence of the erection of a new County, Township, Town or City, or the alteration of the Boundaries thereof, the apportionment under the Census then last taken would become inapplicable or would be unjust, as between two or more Counties, Townships, Towns or Cities, the Chief Superintendent shall make his apportionment for the year, according to the best evidence in his power upon the facts upon which the ratio of apportionments as to such Counties, Townships, Towns or Cities, shall depend.

- V. And be it enacted, that the Chief Superintendent shall certify such apportionment made by him to the Inspector General of the Province, and shall give immediate notice to the Superintendent of Common Schools of each County interested therein, stating the amount of Moneys apportioned to his County, and to each Township, Town and City therein.
- VI. And be it enacted, that the Chief Superintendent aforesaid shall prepare suitable forms and regulations for making all reports and conducting all necessary proceedings under this Act, and shall cause the same, with such instructions as he shall deem necessary and proper for the better organization and government of Common Schools, to be transmitted to the Officers required to execute the provisions of this Act throughout Upper Canada aforesaid.
- VII. And be it enacted, that the Chief Superintendent aforesaid shall, from time to time, furnish to the County Superintendents throughout Upper Canada aforesaid, for the use of the several School Districts, such and so many copies of this Act, and of the Forms, Regulations and Instructions, prepared by him, as he shall deem requisite and necessary.
- VIII. And be it enacted, that the sum annually to be distributed for the encouragement of Common Schools in Upper Canada aforesaid, shall be payable on the first day of August in each year, by warrant to the Superintendents of Common Schools of the several Counties in Upper Canada, aforesaid.
- IX. And be it enacted, that each County Superintendent receiving such moneys shall forthwith give notice in writing to the Township, Town and City Superintendents of Common Schools within his County, of the amount apportioned to each Township, Town or City, and shall hold the same subject to the orders of such Township, Town and City Superintendents, respectively.
- X. And be it enacted, that in case the Superintendent of any such Township, Town or City, shall not apply for and receive such moneys before the next receipt of moneys apportioned to the County, or in case the Council of any Township, Town or City, shall not entitle such Township, Town or City to receive the sum apportioned thereto under this Act, the moneys remaining with the County Superintendent shall be retained by him, and shall be distributed in addition to the moneys next received by him for distribution for Common Schools, as aforesaid, and in the same proportions.
- XI. And be it enacted, that whenever the County Superintendent of Common Schools in any County shall receive from the Superintendent notice of the apportionment of moneys to be distributed in his County, he shall forthwith transmit a certified copy of such apportionment, to each Township, Town and City Clerk, within such County, so far as the same relates to such Township, Town or City.
- XII. And be it enacted, that it shall be the duty of the said Clerk to lay such certified copy before the Council for his Township, Town or City, and the Township, Town or City Council shall without delay cause to be levied in the Township, Town or City, a sum of money for Common School purposes, at least equal (clear of all charges of collection) to the amount of public money

apportioned to such Township, Town or City; such sum to be increased at the discretion of the Council to an amount not more than double the said apportionment of public money; and such sum, so to be raised, shall be placed on the Collector's Roll, and shall be by him collected, in like manner as any other tax for such Township, Town or City, and shall be by him paid over to the Township, Town or City Superintendent of Common Schools.

XIII. And be it enacted, that it shall be lawful for any Township, Town or City Council to exempt any number of School Districts, not exceeding two, within such Township, Town or City, from the payment of the Tax for the support of Common Schools, on account of the poverty of their inhabitants.

XIV. And be it enacted, that there shall be a Superintendent of Common Schools in each Township, Town and City, to be appointed by the Council thereof, and to hold office during their pleasure; and every such appointment, and every vacancy occurring in the office, shall be notified within ten days to the County Superintendent by the Township, Town or City Clerk; and it shall be the duty of the Superintendent for each Township, Town or City

1. — To divide the same, subject to the direction and approval of the Township, Town or City Council, into a convenient number of School Districts and parts of Districts, and to regulate and alter such Districts and parts of Districts, as herein-after provided.
2. — To describe and number the School Districts and parts of Districts, and to deliver the description and numbers thereof, in writing, to the Township, Town or City Clerk, immediately after the formation or alteration thereof.

4. — To apportion the said School Fund, so soon as its amount shall have been ascertained, among the several School Districts and parts of Districts within the Township, Town or City, in proportion to the number of Children residing in each, over the age of five and under the age of sixteen years, according to the last annual reports of the School Trustees.
5. — To sue for and collect, by his name of office, all Penalties and Forfeitures imposed by this Act, within his jurisdiction, and with respect to which no other provision is made, which shall be incurred by any Officer or Inhabitant of the Township, Town or City; and after deducting his costs and expenses, to add the sums recovered to the School Moneys received by him, to be apportioned and expended in like manner.
6. — To visit all Common Schools within the Township, Town or City, at least once a year, and oftener, if he shall deem it necessary.

7. — To examine all persons offering themselves as Candidates for teaching Common Schools within the Township, Town or City, and on being satisfied of the qualification of the Candidates in respect of moral character, learning and ability, to grant certificates in such form as shall be prescribed by the Superintendent of Common Schools; which certificates shall be valid for one year, and shall entitle the holder thereof to teach a Common School within such Township, Town or City, respectively.

8. — To annul any certificate given by him or any of his predecessors in office, whenever he shall see just cause for so doing, by giving at least six weeks notice in writing to the Teacher who shall hold it, with the reasons which have led him to annul such certificate, and giving the same notice and reasons to the Trustees of the School District in which he may be employed, and leaving with the Teacher, if he shall think himself aggrieved by the decision, the power to appeal by Memorial to the review and decision of the County Superintendent.

XV. And be it enacted, that every Superintendent of Common Schools for any Township, Town or City, shall make out and transmit to the County Superintendent, between the first day of January and the first day of March in each and every year, a report in writing, in a form to be prescribed by the Chief Superintendent, bearing date on the first day of January in the year of its transmission, and stating: —

1. — The whole number of School Districts and parts of Districts, separately, set off within the Township, Town or City.

2. — The Districts and parts of Districts, from which reports shall have been made to the Township, Town or City Superintendent within the time limited for that purpose.

3. — The length of time a School shall have been kept in each of such Districts or parts of Districts, distinguishing what portion of that time the School shall have been kept by qualified Teachers.

4. — The amount of public moneys received in each of the said Districts and parts of Districts, and also the further amounts raised by the Trustees for School purposes, and the application of the same.

5. — The number of Children taught in each over the age of five and under sixteen years; and also the number of children residing in each over the age of five and under sixteen years.

6. — The whole amount of the moneys received by the Superintendent, or his predecessor in office, during the year ending at the date of the report, and since the date of the preceding last report; distinguishing the amount received from the County Superintendent on account of the public money apportioned, the amount from the Township rate, and the amounts from any other and what sources.

7. — The manner in which such moneys have been expended, and whether any and what part remains unexpended, and from what cause.

XVI. And be it enacted, that every Superintendent-of Common Schools for any Township, Town or City, shall, before he enters upon the duties of his office, enter into a bond with two or more sufficient sureties to such amount as shall be required by the Township, Town or City Council, and such bond shall be to the Township, Town or City, and the sureties shall be to the satisfaction of the Township, Town or City Council, and such bond shall be conditioned for the faithful performance of the duties of such Superintendent.

XVII. And be it enacted, that no alteration of any School District, made without the consent of the Trustees thereof, shall take effect until three months after notice in writing shall have been given thereof to one or more of such Trustees.

XVIII. And be it enacted, that in making the apportionment of School moneys among the several School Districts, no share shall be apportioned to any District or part of a District, from which no sufficient annual report shall have been received for the year ending on the last day of December preceding the apportionment.

XIX. And be it enacted, that no part of such moneys shall be apportioned or paid to any District or part of a District, unless it shall appear by such report, that a School had been kept therein for at least three months during the year ending at the date of such report, by a qualified Teacher, and that all moneys received from the Township, Town or City Superintendent during the year ending at the date of such report, have been faithfully applied in paying for the compensation of such Teacher.

XX. And be it enacted, that if after the annual reports shall have been received, and before the apportionment of the School moneys shall have been made by the Superintendent, a District shall be duly altered or a new District formed, so as to render an apportionment founded solely on the annual reports unjust, as between two or more of the said Districts, the Township, Town or City Superintendent shall make an apportionment among such Districts according to the number of children in each over the age of five and under sixteen years, ascertaining that number by the best evidence in his power.

XXI. And be it enacted, that when a School District shall have been formed at such time previous to the first of January as not to have allowed a reasonable time to have kept a School therein for the term of three months, such District having been formed out of a District or Districts in which a School shall have been kept for three months by a Teacher duly qualified during the year preceding the first day of January, the said new District shall be entitled to its allowance of School moneys; and the same shall be allotted by the Superintendent, according to the number of children over the age of five and under sixteen therein, to be ascertained according to the best evidence in the power of the Superintendent.

XXII. And be it enacted, that all moneys apportioned by the Superintendent of any Township, Town or City under this Act, to the Trustees of a District or part of a District, which shall have remained in the hands of the Superintendent for one year after such apportionment, by reason of the Trustees neglecting or refusing to receive the same, shall be added to the moneys next thereafter to be appropriated by such Superintendent, and shall be apportioned and paid therewith and in like manner.

XXIII. And be it enacted, that in case any School moneys received by the Superintendent of any Township, Town or City, cannot be apportioned by him for the term of two years after the same are received, by reason of the non compliance of all the School Districts in the Township, Town or City, with the provisions of this Act, such moneys shall be returned by him to the County Superintendent, to be by him apportioned and distributed together and in the same manner with the moneys next thereafter to be received by him for the use of Common Schools.

XXIV. And be it enacted, that whenever it may be necessary or convenient to form a District out of two or more adjoining Townships, the Superintendents of such adjoining Townships shall jointly regulate such District, and shall each visit the School therein established; and in such cases, or where any School-House shall stand on the division line of any two Townships, the Superintendent of either Township may examine into the qualification of any person offering to teach in such District, and may give him a certificate of qualification, and may annul the same, as hereinbefore provided.

XXV. And be it enacted, that in case the Superintendent of any Township, Town or City shall not, on or before the first day of March in any year, transmit to the County Superintendent his report, as hereinbefore provided, it shall be the duty of the County Superintendent to give immediate notice of such neglect to the Chief Superintendent of Common Schools, and to the Warden or Mayor of such Township, Town or City; and the share of the School moneys apportioned to such Township, Town or City, may, in the discretion of the County Superintendent of Common Schools, be withheld and be distributed amongst the other Townships, Towns and Cities in the County, from which the necessary reports shall have been received; and the Superintendent neglecting to make such report, shall forfeit to the use of his Township, Town or City, the sum of ten pounds; and when the share of School moneys apportioned to such Township, Town or City, or any part of such moneys, shall thus be lost to the Township, Town or City, the Superintendent guilty of the neglect aforesaid shall further forfeit to the Township, Town or City, the full amount of the moneys so lost with interest, to be recovered of him and his sureties; and it shall be the duty of the Township, Town or City Treasurer, upon notice of such loss from the County Superintendent of Common Schools, to prosecute without delay, in the name of the Township, Town or City, for such forfeiture, and the moneys recovered shall be distributed and paid by such Treasurer, to the several School Districts and parts of Districts, in the same manner as it would have been the duty of the Superintendent to have distributed and paid the same, if received by him as Common School money.

XXVI. And be it enacted, that each Township, Town and City Superintendent shall keep a just and true account of all School moneys received and expended by him in each year, and shall deliver

the same to the Township, Town or City Clerk, to be by him laid before the Council; and in case of the removal from office of any Township, Town or City Superintendent, or in case of his resignation or removal of residence from the Township, Town or City, he shall immediately thereupon render to his successor in office a just and true account of all School moneys received and expended by him during the year, and of all balances in his hands, and shall forthwith pay over all such balances to his said successor, who shall appropriate the same in like manner as it should have been appropriated by such Superintendent had he remained in office; and if any such vacancy shall happen by the death of any Superintendent, his personal representatives or sureties shall render such account and pay over such balance; and every Superintendent who shall refuse or neglect to render such account or to pay over such balance, shall forfeit and pay the sum of twenty-five pounds, which, together with such balance, so far as the same can be ascertained, and interest thereon, shall be recoverable from such superintendent or from his sureties, at the suit of such successor, whose duty it shall be to sue for the same in his name of office.

XXVII. And be it enacted, that the Township, Town or City Clerk, in each Township, Town or City, respectively, shall be the Clerk of the Superintendent of Common Schools for such Township, Town or City, and he shall receive and keep all reports made to the Superintendent by the trustees of School Districts, and all books and papers belonging to the office of the Superintendent, and shall prepare, under his direction, all his reports, estimates and apportionments of school money, and shall record the same and his other proceedings in a book to be kept for that purpose, and shall receive all such communications as may be directed to him by the Superintendent of Common Schools, and shall dispose of the same in the manner directed therein, and shall transmit to the County Superintendent all such reports as shall be made for him by the Township, Town or City Superintendent, and generally shall do and execute all such things as belong to his office, and may be required of him by the Superintendent for his Township, Town or City.

XXXI. And be it enacted, that each County Superintendent of common schools shall, before he enters upon the duties of his office, enter into a bond with two or more sufficient sureties, to such amount as shall be required by the Court of Wardens; and such bond shall be to the County, and the sureties shall be to the satisfaction of the Court of Wardens, and such bond shall be conditioned for the faithful performance of the duties of such Superintendent.

XXXII. And be it enacted, that it shall be the duty of the County Superintendent of each County to examine all persons offering themselves as candidates for teaching Common Schools within such County, and that in making such examination it shall be the duty of such Superintendent to ascertain the qualifications of the candidate, in respect of moral character, learning and ability; and if the County Superintendent shall be satisfied in respect to the qualifications of the candidate, he shall deliver to the person so examined a certificate signed by him in such form as shall be prescribed by the Chief Superintendent of Common Schools.

XXXIII. And be it enacted, that the certificate so to be granted may either be general, in which case they shall be valid throughout the County, or special, in which case the Township, Town or City, or school district, in which such applicant shall be authorized to teach, shall be specified; and such special certificate shall only qualify the person to teach within the place so specified.

XXXIV. And be it enacted, that such general certificate shall be valid until the same is annulled or otherwise revoked by the County Superintendent; and such special certificate shall be valid for the year in which it is granted, unless so annulled or revoked.

XXXV. And be it enacted, that the County Superintendent may annul whenever he shall see just cause to do so, any such certificate given by him or by any of his predecessors in office, or by any Township, Town or City Superintendent of Common Schools, giving at least ten days notice in writing to the Teacher who shall hold it, and to the Trustees of the School District in which he may be employed, of his intention to annul the same; and that such annulling of any certificate shall not disqualify the Teacher to whom it was given, until a note in writing thereof, containing the name of the teacher and the time when his certificate was annulled, shall be made by the County Superintendent, and filed in the office of the Township, Town or City Clerk.
