12 Victoria – Chapter 180

Whereas the construction of a Ship Canal to connect the River Saint Lawrence with Lake Champlain, leaving the Saint Lawrence at some point between Lake Saint Frangçois and the village of Longueuil, and coming out at some point on the River Richelieu or on Lake Champlain, would tend much to advance the general interests of the Province, by greatly increasing the business which would be carried on through the Saint Lawrence Canals, with Boston, New York, and other eastern Cities in the United States, and would greatly contribute to promote the trade, and facilitate the communication between the eastern and western sections of the Province, and particularly the transportation of timber and deals from the Ottawa and Quebec Districts; And whereas the several persons hereinafter named are desirous to make and maintain the said Canal: Be it therefore enacted by the Queen's Most Excellent Majesty, by and with the advice and consent of the Legislative Council and of the Legislative Assembly of the Province of Canada, constituted and assembled by virtue of and under the authority of an Act passed in the Parliament of the United Kingdom of Great Britain and Ireland, intituled, *An Act to re-unite the Provinces of Upper and Lower Canada, and for the Government of Canada*, and it is hereby enacted by the authority of the same, That John Young, Harrison Stephens, Benjamin Holmes, Luther H. And be it enacted, That the lands or grounds to be taken or used without the consent of the proprietors, for the said Canal, and the ditches, drains and fences to separate the same from the adjoining lands, shall not exceed one hundred and fifty yards in breadth, except in places where basins and other works are required to be cut or made as a necessary part of the Canal, as shewn on the plan approved by the Governor in Council.

VII. And be it enacted, That the said Company may make, carry or place their said intended Canal or works into, and across or upon the lands of any person or party whomsoever in the line shewn on the plan aforesaid, (or within the distance of five hundred yards from such line, except at the points of entering the rivers aforesaid or Lake Champlain or the Chambly Canal, where they shall be confined to the line shewn on the said plan), although the name of such party be not entered in the said book of reference, through error, want of sufficient information, or any other cause, or although some other person or party be erroneously mentioned as the owner of, or party entitled to convey, or interested in such lands.

VIII. And be it enacted, That it shall be lawful for the said Company to take, use, occupy and hold, but not to alienate, so much of the Public Beach or Beach Road, or of the land covered with the waters of the rivers or lake which the said Canal may cross, start from or terminate at, as may be required for the wharves and other works of the said Canal, for making easy entrances thereto and other works which they are hereby authorized to construct, doing no damage to nor causing any obstruction in the navigation of the said rivers or lake, and conforming in all respects to the plan and mode of construction sanctioned as aforesaid by the Governor in Council, except in so far only as he may at any time authorize a deviation from such plan and mode of construction; And provided also, that it shall be lawful for the said Company, with the sanction of the Governor in Council, and upon such terms and conditions as may be agreed upon between the said Company and the Provincial Government, to cause their Canal to enter into the Chambly Canal instead of taking it directly to the River Richelieu or to Lake Champlain, and to widen, deepen, alter and improve so much of the said Chambly Canal as may be necessary in order to make it, from the point where the Canal hereby authorized shall intersect it to the River Richelieu, not less in size, depth and capacity than the Beauharnois Canal aforesaid; Provided always, and be it enacted, That in the event of the said Company so widening, deepening, altering or improving the said Chambly Canal, it shall be incumbent upon them to execute, at their own expense, any works that may be thereby rendered necessary for enlarging or otherwise altering the Draw-Bridge built by the Honorable Robert Jones over the said Chambly Canal at St. John's, and thereafter to work and keep in repair the said Draw-Bridge, keeping it shut at all times, except when Vessels are passing, so that the passage thereof may be as little impeded as possible, but they shall not at any time interrupt the passage over the said Draw-Bridge for the purpose of altering, enlarging or repairing the same, until they shall have made or provided a sufficient temporary Bridge over the said Canal, in connection with and continuation of the remainder of the Toll-Bridge of the said Honorable Robert Jones, which temporary Bridge shall be so placed and kept up as to afford, in connection

with the said Toll-Bridge, a convenient and safe passage over the River Richelieu and the said Canal, at all times during the continuance of any such works or repairs.

IX. And be it enacted, That the said Company shall have the power to use, sell, lease, rent or otherwise dispose of, for their sole use and benefit, any water brought by the said Canal which may not be required for the purposes thereof, but which may be used or found useful and applicable to drive any machinery in mills, warehouses, manufactories or otherwise, on such terms as they may deem expedient and advisable.

X. And be it enacted, That after any lands or grounds shall be set out and ascertained in manner aforesaid, for making and completing the said Canal and other works, and other the purposes and conveniences hereinbefore mentioned, it shall and may be lawful for all bodies politic, corporate or collegiate, corporations aggregate or sole, communities, *grevés de substitution*, guardians, curators, executors, administrators, and all other trustees or persons whatsoever, not only for and on behalf of themselves, their heirs and successors, but also for and on behalf of those whom they represent, whether infants, issue unborn, lunatics, idiots, *femes-covert*, or other persons or parties who are or shall be seized, possessed of or interested in any lands or grounds which shall be so set out and ascertained as aforesaid, or any part thereof, to contract for, sell and convey unto the said Company, all or any part of such lands or grounds which shall under this Act be set out and ascertained as aforesaid; and that all contracts, agreements, sales, conveyances and assurances so to be made, shall be valid and effectual in law to all intents and purposes whatsoever; any law, statute, usage or custom to the contrary thereof in any wise notwithstanding; and that all bodies politic or corporate, or collegiate, or communities, and all persons whatsoever, so conveying as aforesaid, are hereby indemnified for what he, she or they or any of them shall respectively do by virtue of or in pursuance of this Act: Provided always, that before the map or plan and book of reference shall be deposited as aforesaid, and before the lands required for the said Canal and works shall be set out and ascertained, it shall be lawful for any party who might under this Act convey any lands to the said Company, if the same were so then set out and ascertained, to agree with the Company for the price to be paid for such lands if they shall be thereafter so set out and ascertained; and such agreement shall be binding, and the price agreed upon shall be the price to be paid by the Company for the same lands, if they shall be afterwards so set out and ascertained, within one year from the date of such agreement, and although such land may in the meantime have become the property of a third party; and possession of the same may be taken, and the agreement and price may be dealt with, as if such price had been fixed by an award of Arbitrators as hereinafter mentioned.

XI. Provided always, and be it enacted, That any body politic, community, corporation or other like party, who cannot in common course of law sell or alienate any lands or grounds so set out and ascertained, shall agree upon a fixed annual rent as an equivalent, and not upon a principal sum, to be paid for the lands or grounds so set out and ascertained as necessary for making the said Canal, and other the purposes and conveniences relative thereto and connected therewith; and in case the amount of such rent shall not be fixed by voluntary agreement or compromise, it shall be fixed in the manner hereinafter prescribed; and all proceedings shall in that case be regulated as hereinafter prescribed; and for the payment of the said annual rent, and every other,

annual rent agreed upon or ascertained, and to be paid by the said Company for the purchase of any lands, or for any part of the purchase money of any lands which the vendor shall agree to leave in the hands of the said Company, the said Canal and works and the tolls to be levied and collected thereon shall be, and are hereby made liable and chargeable, in preference to all other claims or demands thereon whatsoever, the deed creating such charge and liability being duly registered.

XII. Provided always, and be it enacted, That whenever there shall be more than one party proprietor of any land or property par indivis, any agreement made in good faith between the said Company and any party or parties proprietor, or being together proprietors of one third or more of such land or property, as to the amount of compensation for the same or any damages thereto, shall be binding as between the remaining proprietor or proprietors par indivis and the Company; and the proprietor or proprietors who have so agreed may deliver possession of such land or property to the Company, or empower them to enter upon the same, as the case may be.

XIII. And be it enacted, That so soon as the said map or plan and book of reference shall have been deposited as aforesaid, and notice of its being so deposited shall have been given during at least one calendar month, in the English and French languages, in at least one newspaper published in the City of Montreal, it shall be lawful for the said Company to apply to the several owners or parties hereby empowered to convey the lands through which such Canal is intended to be carried, or which may suffer damage from the taking of materials, or from the exercise of any of the powers granted to the said Company by this Act, and to agree with such owners or parties respectively, touching the compensation to be paid to them by the said Company for the purchase thereof, and for their respective damages, and to make such agreements and contracts with the said parties touching the said lands, or the compensation to be paid for the same, or for the damages, or as to the mode in which the said compensation shall be ascertained, as to such parties and the said Company shall seem expedient.; and in case of disagreement between the said Company and the said owners or parties, or any of them, then all questions which shall arise between them and the said Company shall be settled as follows, that is to say:

The deposit of the map or plan and book of reference, and the notice of such deposit, given as aforesaid, shall be deemed a general notice to all such parties as aforesaid, of the lands which will be required for the said Canal and works;

The Company shall serve a notice upon the opposite party, containing a description of the lands to be taken, or of the powers intended to be exercised with regard to any lands (describing them,) a declaration that the Company are ready to pay some certain sum (or rent, as the case may be,) as compensation for such lands or for the damages arising from the exercise of such power, and the name of a person whom they appoint as their Arbitrator if their offer be not accepted, and such notice shall be accompanied by the certificate of some sworn Surveyor for Lower Canada, disinterested in the matter, and not being the Arbitrator named in the notice, that the land (if the notice relate to the taking of land) is shewn on the map or plan deposited as aforesaid, as being required for the said Canal and works, or as being within the limits of deviation hereby allowed from the line of the said Canal, that he knows such land, or the amount of damages likely to arise

from the exercise of such powers, and that the sum so offered is in his opinion a fair compensation for such land and for such damages as aforesaid; and in making the estimate for such compensation, the Surveyor shall, as shall also the Arbitrators hereinafter mentioned, take into consideration and allow for the benefit to accrue from the said Canal to the party to whom compensation is to be made; and in any case where the Company shall have given and served the notice aforesaid, it shall be lawful for them to desist from such notice, and afterwards to give new notice with regard to the same or other lands, to the same or to any other party, but the Company shall in such case be liable to the party first notified for all demands and costs by him incurred in consequence of such first notice and desistment; and no change of ownership after the Company shall have given and served the notice aforesaid, shall affect the proceedings, but the party notified shall be still deemed the owner, except as to the payment of the sum awarded;

If the opposite party be absent from the District in which the land shall be situate, or be unknown to the said Company, then upon application to any Justice of the Court of Queen's Bench or Circuit Judge for the said District, accompanied by such certificate as aforesaid, and by an affidavit of some Officer of the Company, that such opposite party is so absent, or that after diligent inquiry the party on whom the notice ought to be served cannot be ascertained, such Justice or Judge shall order a notice as aforesaid (but without the certificate) to be inserted at least three times during one calendar month in some newspaper published in the City of Montreal, to be named by such Justice or Judge, in the English or French language, or both, in the discretion of such Justice or Judge;

If within ten days after the service of such notice, or within one month after the first publication thereof, as aforesaid, the opposite party shall not notify to the Company that he accepts the sum offered by the said Company, or notify to them the name of a person whom he appoints as Arbitrator, then any such Justice or Judge may, on application of the said Company, appoint some sworn Surveyor for Lower Canada to be sole Arbitrator for determining the compensation to be paid by the Company;

If the opposite party shall, within the time aforesaid, notify to the said Company the name of the person such party shall appoint as Arbitrator, then the said two Arbitrators shall jointly appoint a third, or if they cannot agree upon a third, (of which fact the allegation of either of them shall be evidence,) then any such Justice or Judge shall, on the application of the said party or of the Company (previous notice of at least one clear day having been given to the Arbitrator of the other party), appoint a third Arbitrator;

The said Arbitrators or sole Arbitrator, being sworn before a Justice of the Peace faithfully and impartially to perform the duties of their office, shall proceed to ascertain the compensation to be paid by the Company, in such way as they or he or a majority of them shall deem best, and the award of such Arbitrators or of any two of them, or of the sole Arbitrator, shall be final and conclusive: Provided, that no such award shall be made nor any official act done by such majority, except at a meeting held at a time and place of which the other Arbitrator shall have had at least one clear day's notice, or to which some meeting at which the third Arbitrator was present, or of which he shall have had notice, shall have been adjourned; but no notice to the Company or

opposite party shall be necessary, but they shall be held sufficiently notified through the Arbitrator they shall have appointed, or whose appointment they shall have required;

Provided always, that the award given by any sole Arbitrator shall never be for a less sum than that offered by the Company as aforesaid; and if in any case where three Arbitrators shall have been appointed, the sum awarded be not greater than that offered by the Company, the costs of the arbitration shall be borne by the opposite party, and deducted from the compensation, otherwise they shall be borne by the Company, and in either case they may, if not agreed upon, be taxed by such Justice or Judge as aforesaid;

The Arbitrators or a majority of them, or the sole Arbitrator, may, in their discretion, examine on oath or solemn affirmation, the parties or such witnesses as shall voluntarily appear before him or them, and may administer such oath or affirmation, but this shall not prevent the Arbitrators from acting and deciding upon their personal knowledge of the merits of the case, or from using such knowledge as they shall think just and right: and any wilful false statement made by any witness, under such oath or affirmation, shall be deemed wilful and corrupt perjury, and punishable accordingly;

The Justice or Judge by whom any third Arbitrator or sole Arbitrator shall be appointed, shall at the same time fix a day on or before which the award shall be made, and if the same be not made on or before such day, or some other day to which the: time for making it shall have been prolonged, either by the consent of the parties or by, the order of any such Justice or Judge, (as it may be for reasonable cause shewn, on the application of such sole Arbitrator, or one of the Arbitrators, after one clear (lay's notice to the others), then the sum offered by the Company as aforesaid shall be the compensation to be paid by them;

If the party appointed by any Justice or Judge as third Arbitrator or sole Arbitrator shall die before the award be made, or shall refuse to act or fail to act within a reasonable time, then upon the application of either party, any such Justice or Judge being satisfied by affidavit or otherwise of such disqualification, refusal or failure, may, in his discretion, appoint another in his stead; and, if the Arbitrator appointed by the said Company or by the opposite party shall die before the award shall be made, or shall leave the Province, or become unable to act within a reasonable time, (such fact being ascertained to the satisfaction of some Justice or Judge as attested by his Certificate to that effect,) such Justice or Judge may authorize the said Company or the opposite party (as the case may be) to appoint another in his stead, notifying the other Arbitrators of such appointment, but no recommencement or repetition of any prior proceedings, shall be necessary;

It shall be no disqualification to the Surveyor or other person offered or appointed as Valuator or as Arbitrator, that he be employed by the Company or by the opposite party, or that he have previously expressed an opinion as to the amount of compensation, or that he be related or of kin to any Member of the Company, provided he be not himself personally interested in the amount of such compensation; and no cause of disqualification shall be urged against any Arbitrator appointed by a Justice of the Court of Queen's Bench or Circuit Judge after his appointment, but shall be made before the same, and its validity or invalidity summarily determined by such Justice

or Judge; and no cause of disqualification shall be urged against any Arbitrator appointed by the Company, or by the opposite party, after the appointment of a third Arbitrator; and the validity or invalidity of any cause of disqualification urged against any such Arbitrator, before the appointment of a third Arbitrator, shall be summarily determined by any such Justice or Judge, on the application of either party, after one clear day's notice to the other, and if such cause be determined to be valid, the appointment shall be null, and the party offering the person so adjudged to be disqualified shall be held to have appointed no Arbitrator;

No award made as aforesaid shall be invalidated by any want or form or other technical objection, if the requirements of this Act shall have been substantially complied with, and if the award shall state clearly the sum awarded, and the lands or other property, right or thing for which such sum is to be the compensation; nor shall it be necessary that the party or parties to whom the sum is to be paid be named in the award.

XIV. And be it enacted, That upon payment or legal tender of the compensation or annual rent so awarded, agreed upon or determined to the party entitled to receive the same, or upon the deposit of the amount of such compensation in the manner hereinafter mentioned, the award or agreement shall vest in the said Company the power forthwith to take possession of the lands, or to exercise the right, or do the thing for which such compensation or annual rent shall have been awarded or agreed upon; and if any resistance or forcible opposition shall be made by any person or party to their so doing, any such Justice or Judge as aforesaid, may, on proof to his satisfaction that the requirements of this Act have been complied with, issue his Warrant to the Sheriff of the District, or to any Bailiff of the Court of Queen's Bench, (as in his discretion may be most suitable,) to put the said Company in possession, and to put down such resistance or opposition, which such Sheriff or Bailiff, taking with him sufficient assistance, shall accordingly do: Provided always, that such Warrant of possession may also be granted by any such Justice or Judge, upon proof by affidavit to his satisfaction, that immediate possession of the land or power to do the thing in question is necessary to the carrying on of the works of the said Company, the adverse party being summoned by one clear day's notice to appear before such Justice or Judge, and the Company giving such security as the said Justice or Judge shall direct, to pay or deposit the sum to be awarded, with interest from the day on which the Warrant shall be granted, and all lawful costs, within thirty days after the award shall be made, such security not being for less than twice the sum offered by the Company in the notice to such adverse party.

XV. And be it enacted, That the compensation awarded as aforesaid, or agreed upon by the said Company, and any party who might under this Act validly convey the lands, or then in lawful possession thereof as proprietor, for any lands which might be lawfully taken under this Act without the consent of the proprietor, shall stand in the stead of such land; and any claim to or hypothec or incumbrance upon the said land, or any portion thereof, shall, as against the said Company, be converted into a claim to the said compensation or to a like proportion thereof, and if the amount of such compensation exceed twenty pounds, they shall be responsible accordingly, whenever they shall have paid such compensation or any part thereof to a party not entitled to receive the same, saving always their recourse against such party: Provided always, that if the said Company shall have reason to fear any such claims, hypothecs, or incumbrances, or if any party to

whom the compensation or annual rent, or any part thereof, shall be payable, shall refuse to execute the proper conveyance and guarantee, or if the party entitled to claim the same cannot be found, or be unknown to the company, or if for any other reason the Company shall deem it advisable, it shall be lawful for them to pay such compensation into the hands of the Prothonotary of the Court of Queen's Bench for the District of Montreal, with the interest thereon for six months, and to deliver to the said Prothonotary an authentic copy of the conveyance, or of the award or agreement if there be no conveyance, and such award or agreement shall thereafter be deemed to be the title of the said Company to the land therein mentioned, and proceedings shall thereupon be had for the confirmation of the title of the said Company, in like manner as in other cases of confirmation of title, except that in addition to the usual contents of the notice, the Prothonotary shall state that the title of the Company (that is the conveyance, agreement or award) is under this Act, and shall call upon all persons entitled to, or to any part of the land, or representing or being the husbands of any parties so entitled, to file their oppositions for their claims to the compensation or any part thereof, and all such oppositions shall be received and adjudged upon by the Court, and the judgment of confirmation shall for ever bar all claims to the lands, or any part thereof, (including dower not yet open), as well as all hypothecs or incumbrances upon the same; and the Court shall make such order for the distribution, payment or investment of the compensation, and for the securing of the rights of all parties interested as to right and justice, according to the provisions of this Act and to law shall appertain; and the costs of the said proceedings, or any part thereof, shall be paid by the said Company, or by any other party, as the Court shall deem it equitable to order; and if judgment of confirmation be obtained in less than six months from the payment of the compensation to the Prothonotary, the Court shall direct a proportionate part of the interest to be returned to the Company, and if from any error, fault or neglect of the Company it shall not be obtained until after the six months have expired, the Court shall order the Company to pay to the proper party the interest for such further period as may be right; Provided always, that if the amount of the said compensation do not exceed twenty pounds, the same may be paid by the Company to the party in whose possession as proprietor the land was at the time the Company took possession thereof, or to any person who may lawfully receive money due to such party, and proof of such payment, and the award, conveyance or agreement, shall be a sufficient title to the said Company, and shall for ever discharge them from all claims of any other party to such compensation or any part thereof saving always the recourse of such other party against the party who shall have receive such compensation.

XVI. Provided always, and be it enacted, That with regard to any lands which could not be taken without the consent of some party entitled under this Act to convey the same, or in any case in which the requirements of this Act shall not have been complied with, and in all cases where land shall have been taken, or damage shall have been done by the Company, without previously complying with the requirements of this Act, the rights of the Company and of other parties shall be governed by the ordinary rules of law.

XVII. And be it enacted, That if any land belonging to or in the possession of any Tribe or Body of Indians be taken, or any power be exercised with regard to such lands by the said Company, compensation shall be made to them therefor, in the same manner as is provided with, respect to other parties; and that whenever it shall be necessary that arbitrators be chosen for settling the

amount of such compensation, the Chief Officer of the Indian Department shall name an arbitrator on behalf of the said Indians, and the amount awarded shall be paid to the said Chief Officer for the use of the said Tribe or Body of Indians.

XVIII. And be it enacted, That all suits for indemnity for any damage or injury sustained by reason of the powers and authority given by this Act shall be brought within six calendar months next after the time of such supposed damage sustained, or in case there shall be a continuation of damage, then within six calendar months next after the doing or committing such damage shall cease, and not afterwards.

XIX. And be it enacted, That if any person shall by any means or in any manner or way whatsoever, obstruct or interrupt the free use of the said Canal or the works incidental or relative thereto or connected therewith, such person shall for every such offence incur a forfeiture or penalty of not less than one pound five shillings nor exceeding ten pounds currency; one half of which penalty and forfeiture, to be recovered before one or more Justices of the Peace for the District, shall go to the prosecutor or informer, and the other half to Her Majesty, Her Heirs and Successors, and shall be paid into the hands of the Receiver General, and be applied for the public uses of this Province and the support of the Government thereof.

XX.
