IX. And be it enacted, That the said Company, in making the said intended Railway, shall not deviate more than two miles from the line of the Rail-way or from the places assigned to the several works of the Company in the map or plan and book of reference deposited aforesaid, nor cut, carry, place, lay down or convey the said Railway into, through, across, under or over any part of any lands or grounds not shown and mentioned in such map or plan and book of reference as being required for such purpose, or as being within two miles of the said line and of the places assigned therein to the said works respectively, (save in such instances as are herein specially provided for), without the consent of the party or parties who could under the provisions of this Act convey such lands.

X. And be it enacted, That the said Company may make, carry or place their said intended Rail-way and works into, across or upon the lands of any person or party whomsoever on the line aforesaid or within the distance aforesaid from such line, although the name of such party be not entered in the said book of reference through error, want of sufficient information, or any other cause, or although some other person or party be erroneously mentioned as the owner of or party entitled to convey or interested in such lands.

XI. And be it enacted, That the lands or grounds to be taken or used for such intended Rail-way, and the ditches, drains and fences to separate the same from the adjoining lands, shall not exceed thirty yards in breadth except in such places where the said intended Rail-way shall be raised more than five feet higher, or cut more than five feet deeper than the present surface of the land, or in such places where it shall be judged necessary to have off-sets for the locomotives or other engines and carriages using the said intended Rail-way to be or pass each other (and not above one hundred yards in breadth in any such place), or where any houses, warehouses, wharves, toll-houses, watch-houses, weighing-beams, cranes, fixed engines or inclined planes, may be intended

XII. And be it enacted, That it shall be lawful for the said Company to take, use, occupy and hold, but not to alienate, so much of the public beach or of the land covered with the waters of the Rivers Ottawa and St. Lawrence (not exceeding the quantity limited in the next preceding section), as may be required for the Rail-way and other works which they are hereby authorized to construct, doing no damage to nor causing any obstruction in the navigation of the said rivers.

XIII. And be it enacted, That after any lands or grounds shall be set out and ascertained in manner aforesaid, for making and completing the said Rail-way and other works, and other the purposes and conveniences hereinbefore mentioned, it shall and may be lawful for all bodies politic, corporate or collegiate, corporations aggregate or sole, communities, tenants in tail or for life, guardians, curators, executors, administrators, and all other trustees or persons whatsoever, not only for and on behalf of themselves, their heirs and successors, but also for and on behalf of those whom they represent, whether infants, issue unborn, lunatics, idiots, *femes-covert*, or other persons or parties who are or shall be seized, possessed of or interested in any lands or grounds which shall be so set out and ascertained as aforesaid, or any part thereof, to contract for, sell and convey unto the said Company, all or any part of such lands or grounds which shall under this Act be set out and ascertained as aforesaid; and that all contracts, agreements, sales, conveyances and assurances so to be made, shall be valid and effectual in law to all intents and purposes whatsoever; any law, statute, usage or custom to the contrary thereof in any wise notwithstanding; and that all bodies politic, corporate or collegiate, or communities, and all persons whatsoever, so conveying as aforesaid, are hereby indemnified for what he, she or they, or any of them shall respectively do by virtue of or in pursuance of this Act: Provided always, that before the map or plan and book of reference shall be deposited as aforesaid, and before the lands required for the said Rail-way and works shall be set out and ascertained, it shall be lawful for any party who might under this Act convey any lands to the said Company, if the same were so set out and ascertained, to agree with the Company for the price to be paid for such lands if they shall be thereafter so set out and ascertained; and such agreement shall be binding, and the price agreed upon shall be the price to be paid by the Company for the same lands, if they shall be afterwards so set out and ascertained, within one year from the date of such agreement, and

although such land may in the mean-time have become the property of a third party; and possession of the same may be taken and the agreement and the price may be dealt with, as if such price had been fixed by an award of arbitrators as hereinafter mentioned, and the agreement shall be in the place of an award.

XIV. Provided always, and be it enacted, That any body politic, community, corporation or other like party who cannot in common course of law sell or alienate any lands or grounds so set out and ascertained, shall agree upon a fixed annual rent as an equivalent, and not upon a principal sum, to be paid for the lands or grounds so set out and ascertained as necessary for making the said Rail-way, and other the purposes and conveniences relative thereto and connected therewith; and in case the amount of such rent shall not be fixed by voluntary agreement or compromise, it shall be fixed in the manner hereinafter prescribed, and all proceedings shall in that case be regulated as hereinafter prescribed; and for the payment of the said annual rent, and every other annual rent agreed upon or ascertained, and to be paid by the said Company for the purchase of any lands, or for any part of the purchase money of any lands, which the vendor shall agree to leave in the hands of the said Company, the said Rail-way and the Tolls to be levied and collected thereon shall be, and are hereby made liable and chargeable; in preference to all other claims and demands thereon whatsoever, the deed creating such charge and liability being duly registered in the Registry Office of the proper County.

XV. Provided always, and be it enacted, That whenever there shall be more than one party proprietor of any land or property as joint-tenants or tenants in common, any agreement made in good faith between the said Company and any party or parties proprietor, or being together proprietors of one third or more of such land or property, as to the amount of compensation for the same or for any damages thereto, shall be binding as between the remaining proprietor or proprietors as joint-tenants or tenants in common and the Company; and the proprietor or proprietors who have so agreed, may deliver possession of such land or property to the Company, or empower them to enter upon the same, as the case may be.

XVI. And be it enacted, That so soon as the said Map or Plan and Book of Reference shall have been deposited as aforesaid, and notice of their being so deposited shall have been given during at least one calendar month in at least one newspaper published in each of the Counties through which the said Rail-way is intended to pass, it shall be lawful for the said Company to apply to the several owners of or parties hereby empowered to convey the lands through which such Rail-way is intended to be carried, or which may suffer damage from the taking of materials, or the exercise of any of the powers granted to the said Company by this Act, and to agree with such owners or parties respectively, touching the compensation to be paid to them by the said Company for the purchase thereof, and for their respective damages, and to make such agreements and contracts with the said parties touching the said lands, or the compensation to be paid for the same, or for the damages, or as to the mode in which the said compensation shall be ascertained, as to such parties and the said Company shall seem expedient; and in case of disagreement between the said Company and the said owners or parties, or any of them, then all questions which shall arise between them and the said Company shall be settled as follows, that is to say:

The deposit of the Map or Plan and Book of Reference, and the notice of such deposit, given as aforesaid; shall be deemed a general notice to all such parties as aforesaid, of the lands which will be required for the said Rail-way and works.

The Company shall serve a notice upon the opposite party, containing—a description of the lands to be taken, or of the powers intended to be exercised with regard to any lands (describing them)—a declaration that the Company are ready to pay some certain sum (or rent, as the case may be,) as compensation for such lands or for the damages arising from the exercise of such power—and the name of a person whom they may appoint as their Arbitrator if their offer be not accepted; and such notice shall be accompanied by the certificate of some sworn Surveyor for Upper Canada, disinterested in the matter, and not being the Arbitrator named in the notice, that the land, (if the notice relate to the taking of land,) is shewn on the Map or Plan deposited as aforesaid, as being required for the said Rail-way and works, or as being within the limits of deviation hereby allowed from the line of the said Rail-way, that he knows such land, or the amount of damages likely to arise from the exercise of such powers, and that the sum so offered is, in his opinion, a fair compensation for such land and for such damages as aforesaid.

If the opposite party be absent from the County in which the lands lie or be unknown to the said Company, then upon application to the County Judge for such County, accompanied by such certificate as aforesaid, and by an affidavit of some Officer of the Company, that such opposite party is so absent, or that after diligent inquiry the party on whom the notice ought to be served cannot be ascertained, such Judge shall order a notice as aforesaid (but without the certificate,) to be inserted three times in the course of one calendar month in some newspaper published in the said County.

If within ten days after the service of such notice, or within one month after the first publication thereof as aforesaid, the opposite party shall, not notify to the Company that he accepts the sum offered by the said Company, or notify to them the name of a person whom he appoints as Arbitrator, then such County Judge as aforesaid shall, on the application of the said Company, appoint some sworn Surveyor for Upper Canada, to be sole Arbitrator for determining the compensation to be paid by the Company.

If the opposite party shall, within the time aforesaid, notify to the said Company the name of the person such party shall appoint as Arbitrator, then, the said two Arbitrators shall jointly appoint a third, or if they cannot agree upon a third, then the County Judge of the County in which the lands lie, shall, on the application of the said party or of the Company, (previous notice of at least one clear day having been given to the other party,) appoint a third Arbitrator.

The said Arbitrators, or any two of them, or the sole Arbitrator, being sworn before some Justice of the Peace for the County in which the lands lie as aforesaid, faithfully and impartially to perform the duties of their office, shall proceed to ascertain the compensation to be paid by the Company, in such way as they or he, or a majority of them, shall deem best, and the award of such Arbitrators, or of any two of them, or of the sole Arbitrator, shall be final and conclusive: Provided that no such award shall be made, or any official act done by such majority, except at a meeting

held at a time and place of which the other Arbitrator shall have had at least one clear day's notice, or to which some meeting at which the third Arbitrator was present shall have been adjourned; but no notice to the Company or opposite party shall be necessary, but they shall be held sufficiently notified through the Arbitrator they shall have appointed or whose appointment they shall have required.

Provided always, if in any case where three Arbitrators shall have been appointed, the sum awarded be not greater than that offered by the Company, the costs of the arbitration shall be borne by the opposite party, and deducted from the compensation, otherwise they shall be borne by the Company, and in either case they may, if not agreed upon, be taxed by the County Judge aforesaid.

The Arbitrators, or a majority of them, or the sole Arbitrator, may examine on oath or solemn affirmation, the parties or such witnesses as shall voluntarily appear before him or them, and may administer such oath or affirmation; and any wilful false statement made by any witness, under such oath or affirmation, shall be deemed wilful and corrupt perjury, and punishable accordingly.

The County Judge by whom any third Arbitrator or sole Arbitrator shall be appointed, shall, at the same time, fix a day on or before which the award shall be made, and if the same be not made on or before such day, or some other day to which the time for making it shall have been prolonged, either by the consent of the parties or by the order of the said County Judge, (as it may be for reasonable cause shown, on the application of such sole Arbitrator, or one of the Arbitrators after one clear day's notice to the others,) then the sum offered by the Company as aforesaid shall be the compensation to be paid by them.

If the party appointed by such Judge as third Arbitrator or sole Arbitrator shall die before the award be made, or shall be disqualified, or refuse or fail to act, within a reasonable time, then upon the application of either party, the County Judge being satisfied by affidavit or otherwise of such disqualification, refusal or failure, may, in his discretion, appoint another in his stead; and if the Arbitrator appointed by the said Company, or by the opposite party, shall die before the award shall be made, or shall leave the Province, or become unable to act within a reasonable time, (such fact being ascertained to the satisfaction of the Judge as attested by his Certificate to that effect,) the said Company or the opposite party (as the case may be) may appoint another in his stead, notifying the other Arbitrators of such appointment; but no recommencement or repetition of prior proceedings shall be required in any case.

The Company may desist from any such Notice as aforesaid, and afterwards give new Notice with regard to the same or other lands, to the same or any other party, but they shall in any such case be liable to the party first notified for all damages or costs by him incurred in consequence of such first notice and desistment.

It shall be no disqualification to the Surveyor or other person offered or appointed as Valuator, or as Arbitrator, that he be professionally employed by the Company or by the opposite party, or that he have previously expressed an opinion as to the amount of compensation, or that he be related

or of kin to any member of the Company, provided he be not himself personally interested in the amount of such compensation; and no cause of disqualification shall be urged against any Arbitrator appointed by the County Judge after his appointment, but shall be made before the same, and its validity or invalidity shall be summarily determined by such Judge; and no cause of disqualification shall be urged against any Arbitrator appointed by the Company, or by the opposite party, after the appointment of a third Arbitrator; and the validity or invalidity of any cause of disqualification urged against any such Arbitrator, before the appointment of a third Arbitrator, shall be summarily determined by any Justice of the said Court on the application of either party, after one clear day's notice to the other, and if such cause be determined to be valid, the appointment shall be null, and the party offering the person so adjudged to be disqualified shall be held to have appointed no Arbitrator.

No award made as aforesaid, shall be invalidated by any want of form or other technical objection, if the requirements of this Act shall have been complied with, and if the award shall state clearly the sum awarded, and the lands or other property, right or thing for which such sum is to be the compensation; nor shall it be necessary that the party or parties to whom the sum is to be paid be named in the award.

XVII. And be it enacted, That upon payment or legal tender of the compensation or annual rent so awarded, agreed upon or determined as aforesaid to the party entitled to receive the same, or upon the deposit of the amount of such compensation in the manner hereinafter mentioned, the award or agreement shall vest in the said Company the power forthwith to take possession of the lands or to exercise the right or to do the thing for which such compensation or annual rent shall have been awarded or agreed upon: and if any resistance or forcible opposition shall be made by any person or party to their so doing, the County Judge may, on proof to his satisfaction of such award or agreement, issue his Warrant to the Sheriff of the County, or to any Bailiff (as in his discretion may be most suitable), to put the said Company in possession, and to put down such resistance or opposition, which such Sheriff or Bailiff, taking with him sufficient assistance, shall accordingly do: Provided also, that such warrant may also be granted by any such Judge without such award or agreement, on affidavit to his satisfaction that the immediate possession of the lands or of the power to do the thing mentioned in the notice, is necessary to carry on some part of the said Rail-way or works with which the said Company are ready forthwith to proceed, and upon the said Company giving security to his satisfaction and in a sum which shall not be less than double the amount mentioned in the notice, to pay or deposit the compensation to be awarded within one month after the making of the award, with interest from the time possession shall be given and with such costs as may be lawfully payable by the Company.

XVIII. And be it enacted, That the compensation awarded as aforesaid or agreed upon by the said Company, and any party who might under this Act validly convey the lands, or then in lawful possession thereof as proprietor, for any lands which might be lawfully taken under this Act without the consent of the proprietor, shall stand in the stead of such lands, and any claim to, or incumbrance upon the said land, or any portion thereof, shall, as against the said Company, be converted into a claim to the said compensation, or to a like proportion thereof, and they shall be responsible accordingly whenever they shall have paid such compensation, or any part thereof, to

a party not entitled to receive the same, saving always their recourse against such party: Provided always, that if the said Company shall have reason to fear any such claims or incumbrances, or if any party to whom the compensation or annual rent or any part thereof, shall refuse to execute the proper conveyance and guarantee, or if the party entitled to claim the same cannot be found, or be unknown to the Company, or if for any other reason the Company shall deem it advisable, it shall be lawful for them to pay such compensation into the office of the Court of Queen's Bench or of Common Pleas for Upper Canada, with the interest thereon for six months, and to deliver to the Clerk of the said Court an authentic copy of the conveyance, or of the award or agreement if there be no conveyance, and such award or agreement shall thereafter be deemed to be the title of the said Company to the land therein mentioned, and notice in such form and for such time as the said Court shall appoint shall be inserted in some newspaper published in the County of Carleton or in the County of Grenville, and in the Towns of By town and Prescott, and such notice shall state that the title of the Company, (that is the conveyance, agreement or award,) is under this Act, and shall call upon all persons entitled to, or to any part of the land, or representing, or being the husbands of any parties so entitled, to file their claims to the compensation or any part thereof, and all such claims shall be received and adjudged upon by the Court, and the said proceedings shall for ever bar all claims to the lands, or any part thereof, (including dower,) as well as all mortgages or incumbrances upon the same; and the Court shall make such order for the distribution, payment or investment of the compensation, and for the securing of the rights of all parties interested, as to right and justice, according to the provisions of this Act and to law, shall appertain; and the costs of the said proceedings, or any part thereof, shall be paid by the said Company, or by any other party, as the Court shall deem it equitable to order; and if such order of distribution as aforesaid be obtained in less than six months from the payment of the compensation into Court, the Court shall direct a proportionate part of the interest to be returned to the Company, and if from any error, fault or neglect of the Company it shall not be obtained until after the six months are expired, the Court shall order the Company to pay to the proper claimants the interest for such further period as may be right.

XIX. Provided always, and be it enacted, That with regard to any lands which could not be taken without the consent of some party entitled under this Act to convey the same, or in any case in which the requirements of this Act shall not have been complied with, and in all cases where land shall have been taken or damage shall have been done by the Company without previously complying with the requirements of this Act, the rights of the Company and of other parties shall be governed by the ordinary rules of law.

XX. And be it enacted, That all suits for indemnity for any damage or injury sustained by reason of the powers and authority given by this Act shall be made within six calendar months next after the time of such supposed damage sustained, or in case there shall be a continuation of damage, then within six calendar months next after the doing or committing such damage shall cease, and not afterwards, and the Defendant or Defendants shall and may plead the general issue and give this Act and the special matter in evidence at any trial to be had thereupon, and may aver that the same was done in pursuance and by authority of this Act.

XXI. And be it enacted, That if any person shall by any means or in any manner or way whatsoever, obstruct or interrupt the free use of the said Rail-way, or the carriages, vessels, engines or other works incidental or relative thereto, or connected therewith, such person shall for every such offence be deemed guilty of a misdemeanor, and shall on conviction thereof be punished by imprisonment in the Provincial Penitentiary, for a term not to exceed five years.

XXII. And be it enacted, That if any person or persons shall wilfully and maliciously, and to the prejudice of the said Rail-way authorized to be made by this Act, break, throw down, damage or destroy the same, or any part thereof, or any of the houses, ware-houses, toll-houses, watch-houses, weigh-beams, cranes, carriages, vessels, engines, inclined planes, machines or other works or devices incidental and relative thereto or connected therewith, or do any other wilful hurt or mischief, or wilfully or maliciously obstruct or interrupt the free use of the said Rail-way, vessels or works, or shall obstruct, hinder or prevent the carrying on, completing, supporting and maintaining the said intended Rail-way, vessels or works, such person or persons shall be adjudged guilty of a misdemeanor, unless the offence committed shall under some other Act or Law amount to a felony, in which case such person shall be adjudged guilty of a felony, and the Court by and before whom such person or persons shall be tried and convicted shall have power and authority to cause such person or persons to be punished in like manner as persons guilty of misdemeanors, or felons (as the case may be) are directed to be punished by the laws in force in this Province.

XXIII.
