

Laws of Her Majesty's Province of Upper Canada, passed in the year 1850. Toronto: Stewart Derbshire & George Desbarats, 1850.

13 & 14 Victoria – Chapter 85

An Act to determine the mode in which the Side Lines in certain Concessions in the Township of Edwardsburgh shall be run. 24th July, 1850.

Whereas by the petition of the inhabitants of the Township of Edwardsburgh, in the County of Grenville, and by the report of John Booth and William Campbell, Esquires, Deputy Provincial Surveyors, under a commission to them in that behalf, it appears that great inconvenience has resulted from the running of the side lines in the fifth, sixth, seventh and eighth concessions of the Township of Edwardsburgh aforesaid, in all cases parallel to the Eastern boundary of the Township, the said Eastern boundary, from the front of the fifth concession to the rear of said Township, having a different bearing from that which it has in the first, second, third and fourth concessions of the said Township: And whereas the said inhabitants have prayed, and the said Commissioners have reported, in favor of having certain side lines in the said fifth, sixth, seventh and eighth concessions drawn as hereinafter mentioned, and not generally parallel to the said Eastern boundary, and it is expedient under the circumstances aforesaid to grant their prayer, and to act upon the suggestions of the said Commissioners: Be it therefore enacted and declared by the Queen's Most Excellent Majesty, by and with the advice and consent of the Legislative Council and of the Legislative Assembly of the Province of Canada, constituted and assembled by virtue of and under the authority of an Act passed in the Parliament of the United Kingdom of Great Britain and Ireland, and intituled, *An Act to re-unite the Provinces of Upper and Lower Canada, and for the Government of Canada*, and it is hereby enacted and declared by the authority of the same, That for and notwithstanding any thing in the thirty-ninth section, or in any other part of the Act passed in the twelfth year of Her Majesty's Reign, and intituled, *An Act to repeal certain Acts therein mentioned, and to make better provision respecting the admission of Land Surveyors, and the Survey of Lands in this Province*, or in any other Act or Law, the side line between numbers eleven and twelve, in the fifth and sixth concessions of the said Township of Edwardsburgh, and the side line between any lots in the said concessions west of number eleven, run and shall be run from the corner post in the front of such lots to the rear thereof, in such direction as that if any such line were prolonged, it would strike the post or front boundary between the lots bearing the same numbers in the next concession towards the rear of the Township.

II. And be it declared and enacted, That in the seventh concession of the said Township the course of the side line between the East half and the West half of Lot number seven, and of the side lines of all the Lots to the West thereof, is and shall be North thirty-one degrees twenty-two minutes West, astronomically.

III. And be it declared and enacted, That the Eastern commons in the said eighth concession is and shall be fourteen chains and twenty-five links in width, and that all the land to the west thereof be divided into the number of Lots, Commons and Roads, shewn in the original survey; and that the side lines be run parallel to the Eastern boundary of the said Township; and any line

run in accordance with this Act shall be deemed to be and to have been since the survey of the said Township the true side line of the lots between which it shall run: subject nevertheless to the provisions of the hereinbefore recited Act, relative to the breadth of Lots and the mode of ascertaining such breadth when the original posts or monuments cannot be found, and as to all matters not provided for by this Act.
