

*Laws of Her Majesty's Province of United Canada*, passed in the year 1851. York: Stewart Derbyshire and George Desbarts, 1851.

14 & 15 Victoria – Chapter 109

**An Act to amend the Upper Canada Municipal Corporations Act of one thousand eight hundred and forty-nine, by adapting the same to the late change in the Upper Canada Assessment Laws, and for other purposes relating to the Municipal Corporations of that section of the Province. 30th August, 1851.**

Whereas from the recent change in the Laws for the Assessment of Property for local purposes in Upper Canada, it has become necessary to make some corresponding alterations in those for the establishment and regulation of the Municipal Corporations of that section of the Province, the better to adapt the same to such change, as well as to make some further provisions with respect to such Municipal Corporations: Be it therefore enacted by the Queen's Most Excellent Majesty, by and with the advice and consent of the Legislative Council and of the Legislative Assembly of the Province of Canada, constituted and assembled by virtue of and under the authority of an Act passed in the Parliament of the United Kingdom of Great Britain and Ireland, and intituled, *An Act to re-unite the Provinces of Upper and Lower Canada, and for the Government of Canada*, and it is hereby enacted by the authority of the same, That nothing in that part of the eleventh section of the Act passed in the last Session of Parliament, chaptered sixty-seven, and intituled, *An Act to establish a more equal and just system of Assessment in the several Townships, Villages, Towns and Cities in Upper Canada*, which requires that the sums which shall be required by Law or by any By-law of any Township or County, for any lawful purpose, shall and may be taxed, rated and raised, upon estimate of the amount required for any such lawful purpose, for each year in which such tax is to be levied, shall affect, or be construed to affect or apply to By-laws for creating or contracting such debts or loans as are referred to in and by the one hundred and seventy-seventh section of the Upper Canada Municipal Corporations Act of one thousand eight hundred and forty-nine, when passed in the manner prescribed by that section as modified by the provisions of this Act, or to any By-laws relating to the same.

II. And whereas, in consequence of the said change in the said Assessment Laws, the rates imposed for the payment and satisfaction of debts and loans, heretofore incurred or contracted by Municipal Corporations, and Provisional Municipal Corporations in Upper Canada, under the provisions of the said one hundred and seventy-seventh section of the said Act, will, unless altered, produce a much larger annual amount of money than will be necessary for the payment and satisfaction of such debts and loans, with the interest thereof, within the time originally stipulated for that purpose, according to the provisions of the said one hundred and seventy-seventh section; and nevertheless, such Corporations are by the said Act precluded from either lessening such rate or applying any part of the proceeds thereof, till after such payment and satisfaction, to any other purpose whatsoever; And inasmuch as the increased amount collected upon such rates will arise, not from the gradual growth of wealth and population within the jurisdiction of such Corporations respectively, but in consequence of an Act of the Legislature, extending the basis upon which such rates are made to operate, public faith, with the respective

creditors of such Corporations, will not be violated by permitting such Corporations to substitute for such original special rates, new special rates, adequate to insure, under the provisions of the said new Assessment Law, the payment and satisfaction of such debts and loans, at the times originally stipulated for the payment and satisfaction thereof, within the twenty years limited by the said one hundred and seventy-seventh section of the said Act for that purpose; Be it therefore enacted, That with respect to any debt or loan, which shall have been lawfully incurred or contracted by any such Corporation according to the said one hundred and seventy-seventh section of the said Act, previous to the first day of January, which will be in the year of our Lord one thousand eight hundred and fifty-two, it shall and may be lawful for any such Corporation at any time within two years from that day, to pass a By-law, substituting a new special rate for the payment and satisfaction of any such debt or loan, in lieu of the old special rate originally imposed for that purpose, such new special rate, according to the amount of rateable property in the County, in United Counties, City, Town, Township or Village over which such Corporation shall have jurisdiction, as such amount shall have been ascertained by the Assessment Returns for such County, City, Town, Township or Village, for the financial year next preceding that in which the By-law for the substitution of such new special rate in lieu of the old one, shall be passed, being sufficient to satisfy and discharge such debt or loan, with the interest thereof, within the twenty years limited by the said section for that purpose, and on the days and times, and in the manner stipulated by such original By-law, and by the Bills, Bonds, Debentures, or other Obligations issued under the authority thereof for the payment of the same; and it shall not be competent for any such Corporation to repeal such By-law for such new special rate, or to discontinue such new special rate until such debt or loan, and the interest thereof, shall be fully paid, satisfied and discharged, nor to apply the proceeds thereof or any part thereof, to any other purpose, until the full payment, satisfaction and discharge of the same, with the interest thereof: Provided always, nevertheless, Firstly,—That in every such case, the twenty years limited by the said one hundred and seventy-seventh section of the said Act shall, as far as it may affect the amount of such new special rate, be reckoned from the time that the original By-law for the incurring or contracting of such debt or loan shall, by the terms of such original By-law, or otherwise according to Law, have taken effect and gone into operation, and that in all other respects the several provisions of the said Upper Canada Municipal Corporations Act of one thousand eight hundred and forty-nine, and of this Act, respecting original By-laws for creating or contracting debts or loans by such Corporations, shall apply to all such By-laws for substituting new special rates in lieu of the old ones, as if such last mentioned By-laws had been for creating or contracting such debts or loans originally; Provided also, Secondly,—That no such By-law for substituting any such new special rate for the old one, shall be of any force or effect whatsoever, until the same shall have been approved by the Governor of this Province in Council, as provided with respect to certain other By-laws by the twelfth section of this Act; And provided also, Thirdly,—That before any such By-law shall be so approved by the Governor in Council, the facts upon which such By-law shall be founded, shall be verified to the satisfaction of the Governor in Council, in a similar manner to that provided for by the thirteenth section of this Act, with respect to the By-laws to which that section applies, and all the provisions of the said last mentioned section shall apply to all By-laws to be passed under the authority of this section.

III. And be it enacted, That the time limited by the one hundred and eighty-second section of the said Upper Canada Municipal Corporations Act of one thousand eight hundred and forty-nine, for the different Municipal Corporations therein mentioned, to pass By-laws providing for the liquidation of any such debt as in the said one hundred and eighty-second section of the said Act is mentioned, shall be and the same is hereby extended to the first day of January, which will be in the year of our Lord one thousand eight hundred and fifty-three, and to such further day thereafter as the Governor of this Province, by Proclamation under the Great Seal thereof, issued either before or after that day, or any further day to which such time may be so extended, may from time to time think fit to appoint: Provided always, nevertheless, that nothing herein contained shall be construed to extending the time for payment, or providing for the payment, of any such debts to a period beyond the time therein limited for that purpose, that is to say, within twenty years from the first day of January, one thousand eight hundred and fifty-one.

IV. And be it enacted, That in every By-law to be hereafter passed by any Municipal Corporation, or Provisional Municipal Corporation in Upper Canada, for creating a debt or contracting a loan upon the credit of the County or United Counties, City, Town, Township, or Village, of which they are such Corporation, there shall be recited or set forth, by way of preamble to the same: — First, the amount of such debt or loan, and in some brief and general terms the object for which the same was created or contracted; Secondly, the amount required to be raised annually, according to the one hundred and seventy-seventh section of “The Upper Canada Municipal Corporations Act of one thousand eight hundred and forty-nine,” as a special rate for the payment of such debt or loan, and the interest thereof, within the time thereby limited for the satisfaction and discharge of all such debts and loans, at the days and times when the same shall become payable, according to such By-law; Thirdly, the amount of the whole rateable property of such County, Union of Counties, Cities, Town, Township, or Village, according to the Assessment Returns for the same, for the then next preceding financial year; and, Fourthly, the annual rate in the Pound upon such rateable property required as a special rate for the payment of the said interest, and for the creation of a Sinking Fund for the payment of the principal of such debt or loan, according to the requirements of the said one hundred and seventy-seventh section of the said Act; which amounts shall be ascertained, irrespective of any future increase of the rateable property of such County, Union of Counties, City, Town, Township, or Village, and also irrespective of any income, whether in the nature of tolls, interest or dividends, to accrue or be derived from any public or Corporation work, or any stock, shares, or interest in any such work, in or upon which such debt or loan shall or may, by such Municipal Corporation, be invested or applied, or any part thereof, and also irrespective of any income to be derived from the temporary investment of such Sinking Fund, or any part thereof, pursuant to the provisions of the said one hundred and seventy-seventh section of the said Act.

V. And be it enacted, That it shall and may be lawful for any such Municipal Corporation, or Provisional Municipal Corporation, in any such By-law, or in any other By-law to be passed for that purpose, if they shall think fit so to do, to direct that any annual surplus of income which shall be derived from any such Public or Corporation work, or from any stock, shares, or interest in any such work, after payment out of such annual income of all the annual expenses of such work, stock, shares or interest, shall be applied to the payment and satisfaction of such debt or loan; and

whenever any such provision shall be contained in the By-law for creating or contracting such debt or loan, it shall not be competent to any such Corporation to alter or repeal such provision, or to discontinue the application of such surplus to the payment and satisfaction of such debt or loan, until such debt or loan, and all interest thereon, shall have been fully paid, satisfied or discharged.

VI. And be it enacted, That it shall and may be lawful for any such Municipal Corporation, or Provisional Municipal Corporation, from time to time, to apply any moneys in the Corporation Treasury belonging to such County, Union of Counties, City, Town, Township, or Village, not otherwise appropriated, and also any other moneys which they may think fit, by any additional rate, to raise, levy and collect for that purpose, to the payment of any such debt or loan: Provided always, nevertheless, that no such moneys, having been once by Order or By-law of such Corporation directed to be so applied, shall thereafter, on any pretence whatsoever, be diverted, appropriated or applied to any other purpose whatsoever, until such debt or loan, and all interest thereon, shall have been fully paid, satisfied or discharged.

VII. And be it enacted, That in the books of every such Corporation or Provisional Corporation, two separate accounts shall be kept, one for every such special rate, and one for the Sinking Fund of such debt or loan, to be both distinguished from all other accounts in such books by some prefix designating the purpose for which such debt or loan was created or contracted; which accounts, with any others that may be necessary for that purpose, shall be so kept as at all times to exhibit the state of such debt or loan, and the amount of moneys raised, obtained, and appropriated for the payment thereof.

VIII. And be it enacted, That when, after the regular application of the necessary amounts to the interest and Sinking Fund appropriation of any loan or debt for any financial year according to law, there shall at the close of such year still remain a residue at the credit of the special rate account of such debt or loan, as raised by such special rate during such year, or on hand from former years, if such residue shall not amount to more than sufficient to meet the interest that shall fall due on such debt or loan, or on the amount thereof still remaining unpaid, during the financial year next subsequent to the occurrence of such residue, the amount of such residue shall remain at the credit of such special rate account, to be applied to or towards the payment of such next subsequent year's interest, in case the produce of the special rate belonging to such debt or loan for such next subsequent year should not be sufficient, or should not be collected and paid into the Corporation Treasury in sufficient time to meet the payment of such interest at the days and times when the same shall become due and payable. And when such residue shall amount to more than sufficient to meet such interest for such next subsequent year, the amount necessary to meet such interest for such next subsequent year shall remain at the credit of such special rate account, to be applied to the payment of such next subsequent year's interest, in the like cases as those above mentioned; and the remainder of such residue at the credit of such special rate account, as raised by such special rate during such first-mentioned financial year, shall be carried to the credit of the Sinking Fund account of such debt or loan, and applied accordingly.

IX. And be it enacted, That the amount of any annual surplus of income derived from the public or Corporation work, or from the stock, shares or interest in such work so directed to be applied to

the payment and satisfaction of such debt or loan, according to the provisions of the fifth section of this Act, together with all special appropriations made for the payment and satisfaction of such debt or loan, according to the provisions of the sixth section of this Act, and the income derived from the temporary investment of the Sinking Fund appropriated to the payment and satisfaction of such debt or loan, or any part thereof, according to the provisions of the said one hundred and seventy-seventh section of the said Upper Canada Municipal Corporations Act of one thousand eight hundred and forty-nine, shall be carried to the credit of the Sinking Fund account of such debt or loan, and be applied exclusively to the payment and satisfaction of such debt or loan, and the interest thereof accordingly.

X. And be it enacted, That if in the case of any particular debt or loan created or contracted as aforesaid, the amount of the residue of the special rate imposed for the payment and satisfaction thereof, and raised and collected for any particular year, or on hand from former years, together with that of the surplus of the income derived from any such work, stock, shares or interest applicable to the augmentation of the Sinking Fund, of such debt or loan, under the fifth Section of this Act, and the amount of any temporary investment of such Sinking Fund, or of any part thereof, which shall be carried to the credit of such Sinking Fund for such year as aforesaid, shall together, or any one or more of them separate from the other or others, amount to more than the amount so required to be raised annually as a special rate for the payment and satisfaction of such debt or loan with the interest thereof, within the time so limited for the satisfaction and discharge of all such debt or loans by the said one hundred and seventy-seventh section of the said "Upper Canada Municipal Corporations Act of one thousand eight hundred and forty-nine," and by the fourth section of this Act required to be set forth in the Preamble to the By-law for the creating or contracting such debt or loan, then and in every such case it shall and may be lawful for such Municipal Corporation, or Provisional Municipal Corporation, if they shall think fit so to do, by a By-law to be passed by them for that purpose, reciting or setting forth by way of Preamble; First, the amount of such special rate as imposed by the By-law for the creating or contracting of such debt or loan; Secondly, the amount of the residue (if any) of such special rate for the particular year, or on hand from former years; Thirdly, the amount of such surplus annual income from such work, stock, shares or interest as aforesaid (if any) for such year so appropriated as aforesaid; and Fourthly, the amount derived for such year from the Sinking Fund of such debt or loan,—to direct that for the next subsequent year after the occurrence of such aggregate or separate surplus, any amount not greater than the amount of such special annual rate, nor less than the difference between the amount of such special annual rate, and such aggregate or separate surplus derived from the several sources above mentioned, shall be levied under the said first mentioned By-law, and to set forth in such last mentioned By-law the amount in the pound upon the whole assessed property of such County, Union of Counties, City, Town, Township or Village, which for such next subsequent year shall be levied under the said original By-law for creating or contracting such debt or loan, in lieu of that thereby directed to be levied; and upon such above mentioned By-law providing for the levying of such reduced rate for any year, being approved by the Governor of this Province in Council, every such reduced rate shall for such year, but no other, be raised, levied, collected and applied under the said original By-law in lieu of such original special rate for such particular subsequent year, and all the provisions of such original By-law shall apply to such reduced rate as if it had been the rate originally imposed by such original By-law.

XI. And be it enacted, That when any such debt or loan shall have been created or contracted by any such Municipal Corporation or Provisional Municipal Corporation, and all the necessary provisions for providing for and securing the payment and satisfaction thereof duly made according to the requirements of "The Upper Canada Municipal Corporations Act of one thousand eight hundred and forty-nine," "The Upper Canada Municipal Corporations Law Amendment Act of one thousand eight hundred and fifty," and this Act, if at any time thereafter it shall be deemed expedient by such Municipal Corporation, or Provisional Municipal Corporation to substitute an Anticipatory Appropriation for the interest and Sinking Fund appropriation of such debt or loan for any particular financial year subsequent to that in which such Anticipatory Appropriation shall be made as hereinafter provided, in lieu of the annual special rate for such subsequent year, applicable to the payment and satisfaction of the annual interest and Sinking Fund appropriation of such debt or loan for such subsequent year, it shall and may be lawful for such Municipal Corporation, or Provisional Municipal Corporation, to make such Anticipatory Appropriation by appropriating and applying to the payment and satisfaction of the interest and Sinking Fund appropriation of such debt or loan for such subsequent year; Firstly, any moneys that may remain at the credit of the special rate account of such debt or loan beyond what may be necessary to meet all other similar Anticipatory Appropriations from such special rate account, and beyond also whatever may be necessary to meet the interest of such debt or loan for the year next subsequent to that in which such Anticipatory Appropriation shall be made as hereinbefore provided; Secondly, any surplus of annual income derived from any such work, stock, shares or interest, and then applicable to the augmentation of the Sinking Fund of such debt or loan as hereinbefore provided and not already appropriated; Thirdly, any moneys derived from any temporary investment of such Sinking-Fund or of any part thereof not already appropriated for any particular year; Fourthly, any moneys that such Municipal Corporation or Provisional Municipal Corporation may, by additional rate or otherwise, have raised for the purpose of any such Anticipatory Appropriations, and not then already appropriated to any particular debt or loan for any particular year; and, Fifthly, any other moneys of such Municipal Corporation or Provisional Municipal Corporation then in the Corporation Treasury and unappropriated, or any of such moneys, distinguishing in their By-law or Order for such Anticipatory Appropriation, the several sources of the amount forming the aggregate of such Anticipatory Appropriation respectively, and distinguishing in like manner, the amount of such Anticipatory Appropriation to be applied for the interest, and that to be applied for the Sinking Fund appropriation of such debtor loan for such subsequent year, respectively; and to cause such sums to be carried to the credit of the Sinking Fund account of the debt or loan which shall be the object of such Anticipatory Appropriation, to be applied accordingly.

XII. And be it enacted, That it shall and may be lawful for any Municipal Corporation or Provisional Municipal Corporation which by By-law or Order shall have made any such Anticipatory Appropriation as is provided for by the next preceding section of this Act, by a By-law to be passed by them for that purpose, and reciting or setting forth by way of Preamble to such last mentioned By-law; First, the original amount of such debt or loan, and by some brief and general terms the object for which the same was created or contracted; Secondly, the amount of the annual Sinking Fund appropriation for the payment and satisfaction of such debt or loan; Thirdly, the amount of

such debt or loan, if any, which shall have been already paid or satisfied; Fourthly, the amount of the Sinking Fund appropriations belonging to such debtor loan then on hand for the payment and satisfaction thereof, distinguishing the amount thereof in cash in the Corporation Treasury, and the amount temporarily invested, pursuant to the one hundred and seventy-seventh section of the Upper Canada Municipal Corporations Act, of one thousand eight hundred and forty-nine; Fifthly, the amount required to meet the interest of such debt or loan, or of so much thereof as shall not have been already paid and satisfied for such subsequent year; and Sixthly, that there had been appropriated and applied by such Corporation, a sum of money equal to the amount of interest and Sinking Fund appropriation required for such year, to meet such interest and Sinking Fund appropriation, and that they had caused the same to be carried to the credit of the Shilling Fund account of such debt or loan, to be so applied accordingly,—to direct the original special rate imposed for the payment and satisfaction of such debt or loan and the interest thereof, not to be levied for such particular subsequent year for which such Anticipatory Appropriation shall have been so made as aforesaid; and upon such last mentioned By-law being approved by the Governor of this Province in Council, such original special rate shall not not\* shall any part thereof be raised, levied or collected under such original By-law or otherwise in or for such particular subsequent year, any thing in the said, “The Upper Canada Municipal Corporations Act of one thousand eight hundred and forty-nine,” “The Upper Canada Municipal Corporations Law Amendment Act of one thousand eight hundred and fifty,” or in this Act to the contrary thereof notwithstanding.

XIII. And be it enacted, That before any such last mentioned By-law, or any other By-law requiring such approval, shall be approved by the Governor in Council as required by the next preceding Section of this Act, the facts therein required to be recited or set forth by way of preamble to the same, shall be verified upon oath or affirmation to be taken before a Justice of the Peace or Alderman having Magisterial jurisdiction within the territorial limits of such Corporation, by the Head of such Corporation, the Chamberlain or Treasurer and Clerk thereof for the time being, and also by the further testimony on oath or affirmation, to be taken in like manner, of the same and such other parties or persons as may be required by the Governor in Council, and be sufficient to satisfy him of the truth of such recitals: Provided always, nevertheless, that in case of the death or absence of any such Municipal Officer, it shall and may be lawful for the Governor in Council, if he shall think fit so to do, to accept the oath or affirmation of any other Member of such Corporation, in lieu of that of such Officer so dead or absent as aforesaid.

XIV. And be it enacted, That where any such original By-law may have been passed by any such Municipal Corporation or Provisional Municipal Corporation, for creating any debt or contracting any loan under the one hundred and seventy-seventh section of the said Municipal Corporations Act of one thousand eight hundred and forty-nine, it shall and may be lawful for such Municipal Corporation or Provisional Municipal Corporation, notwithstanding any thing in the said section contained, to repeal such By-law at any time before the creating of any part of such debt or the contracting of any part of such loan, and the actual issue of the Bills, Bonds, Debentures or other Obligations of such Municipal Corporation, or Provisional Municipal Corporation, for the same.

XV. And be it enacted, That where any such By-law may have been passed by any such Municipal Corporation or Provisional Municipal Corporation for creating any debt or contracting any loan under the one hundred and seventy-seventh section of the said Upper Canada Municipal Corporations Act of one thousand eight hundred and forty-nine, it shall and may be lawful for such Municipal Corporation or Provisional Municipal Corporation, notwithstanding any thing in the said section contained, at any time after a part of such debt or loan shall have been created or contracted, and the Bills, Bonds, Debentures or other Obligations of such Municipal Corporation or Provisional Municipal Corporation shall have been actually issued for the same, and before the residue of such debt or loan shall have been so created or contracted, and such Bills, Bonds, Debentures or other Obligations actually issued for the same, by any By-law to be passed for that purpose, to repeal such original by-law so far as the same relates to such residue or any part thereof, and the proportionate part of the original special rate imposed for the payment and satisfaction of such residue or such part thereof: Provided always, nevertheless, Firstly, that every such last mentioned repealing By-law, by a clause to be inserted therein, shall be appointed to take effect and come into operation on the thirty-first day of December in the year in which the same shall be passed, and not before, and shall not in any way affect any rates due or penalties incurred previous to such day: And provided also, Secondly, that no such last mentioned repealing By-law shall be of any force or effect whatsoever, until the same shall have been approved by the Governor of this Province in Council, as provided with respect to certain other By-laws by the twelfth section of this Act; And provided also, Thirdly, that before any such last mentioned repealing By-law shall be so approved by the Governor in Council, the facts upon which such By-law shall be founded shall be verified to the satisfaction of the Governor in Council, in a similar manner to that provided by the thirteenth section of this Act with respect to the By-laws to which that section applies, and all the provisions of the said last mentioned section shall apply to all By-laws to be passed under the authority of this section.

XVI. And be it enacted, That no By-law for creating any debt or contracting any loan under the one hundred and seventy-seventh section of "The Upper Canada Municipal Corporations Act of one thousand eight hundred and forty-nine," shall be passed, except at a meeting of the Municipal Corporation or Provisional Municipal Corporation, specially called for the purpose of considering the same, and held at least three calendar months after a copy of such By-law, at length, as the same shall be ultimately passed, together with a notice of the day appointed for considering the same, shall have been published in some public newspaper, published weekly or oftener, within the territorial jurisdiction of such Corporation, or if there be no such public newspaper published within such jurisdiction, then in such public newspaper published nearest to such jurisdiction: Provided always, nevertheless, that the notice of such meeting to be appended to every such copy for the purpose aforesaid, shall and may be to the effect following, that is to say:

"Notice:—The above is a trite copy of a proposed By-law to be taken into consideration by the Municipality of die Township of A, in the County of B, one of the United Counties of B, C and D, at \_\_\_\_\_, in the said Township, on the \_\_\_\_\_ day of \_\_\_\_\_, 185\_\_\_\_\_ at the \_\_\_\_\_ o'clock in the \_\_\_\_\_ noon, at which time and place the Members of the said Municipality are hereby required to attend for the purpose aforesaid.

G. H.  
Township Clerk.”

XVII. And be it enacted, That in every case in which there shall not be more than two persons at the least qualified to be elected as Township, Village, Town or City, Councillor or Alderman for each Municipal Seat required by law to be filled by such election, the provisions of this Act respecting the qualification of persons to be elected to such Municipal Seat as required by the Municipal Corporations Acts, shall be and the same are hereby suspended as far as regards such election, and the persons to be elected thereat, and no qualification or oath of qualification shall be required of any person elected to fill any of such Municipal Seats at such election; any thing in the Upper Canada Municipal Corporations Acts, or any of them, to the contrary thereof notwithstanding.

XVIII. And be it enacted, That notwithstanding the dissolution of any Union of Counties, the Senior County or Counties from which the Junior County of such Union shall have been separated, shall after such separation continue liable to the debts and loans created or contracted by such Union, according to the provisions of the one hundred and seventy-seventh section of the Municipal Corporations Act of one thousand eight hundred and forty-nine, and of this Act, and to the holders of all Bills, Bonds, Debentures and other Obligations issued by such United Counties before the dissolution of such Union for any such debt or loan or any part thereof, as if such debt or loan had been so created or contracted, and such Bills, Bonds, Debentures or other Obligations had been issued by such Senior County or Counties after the dissolution of such Union, and the Municipal Corporation of such Senior County or Counties shall issue their Bills, Bonds, Debentures or other Obligations for any part of such debt or loan for which the Bills, Bonds, Debentures or other Obligations of such Union shall not have been issued previous to the dissolution of such Union, all which last mentioned Bills, Bonds, Debentures or other Obligations shall contain a recital or statement setting forth the liability of the Municipal Corporation of such Junior County for the payment and satisfaction of the moneys secured thereby under this Act, and such Senior County or Counties shall also continue subject to all the other liabilities of such Union of what nature or kind soever which existed at the time of the dissolution of such Union, as if such last mentioned liabilities had been incurred by such Senior County or Counties after the dissolution of such Union; Provided always, nevertheless, that nothing herein contained shall be construed to prevent or interfere with the liability of such Junior County, to such Senior County or Counties upon any agreement or award made with respect to any part of such debts, loans or liabilities under the fifteenth section of the Act of the Parliament of this Province, passed in the twelfth year of Her Majesty's Reign, chaptered seventy-eight, and intituled, *An Act for abolishing the Territorial Division of Upper Canada into Districts, and for providing for temporary Unions of Counties for judicial and other purposes, and for the future Dissolutions of such Unions as the increase of wealth and population may require.*

XIX. And be it enacted, That notwithstanding the dissolution of any Union of Counties, every Junior County, after its separation, shall continue liable to the debts and loans created or contracted by such Union, according to the provisions of the one hundred and seventy-seventh section of the Municipal Corporations Act of one thousand eight hundred and forty-nine, and of

this Act, and to the holders of all Bills, Bonds, Debentures and other Obligations issued by such United Counties before the dissolution of such Union, or by the Senior County or Counties of such Union, after the dissolution of such Union, for any such debt or loan, or any part thereof, as if such debt or loan had been so created or contracted, and such Bills, Bonds, Debentures or other Obligations had been issued by such Junior County after the dissolution of such Union: Provided always, nevertheless, that nothing herein contained shall extend or be construed to extend to prevent or interfere with the liability of such Senior County or Counties, to such Junior County, upon any agreement or award made with respect to any part of such debts or loans, under the fifteenth section of the said Act, passed in the twelfth year of Her Majesty's Reign, chaptered seventy-eight, and intituled, *An Act for abolishing the Territorial Division of Upper Canada into Districts, and for the providing for temporary Unions of Counties for judicial and other purposes, and for the future dissolutions of such Unions, as the increase of wealth and population may require*, and the Municipal Corporation of such Junior County shall be entitled to recover from the Municipal Corporation of such Senior County or Counties, all such moneys as such Junior County shall be obliged to pay upon any such Bills, Bonds, Debentures or other Obligations, as for so much money paid by such Junior County for the use of such Senior County or Counties, except only such parts thereof as under and by virtue of any such agreement or award as is provided for, in and by the said fifteenth section of the said last mentioned Act, such Junior County shall be bound to pay as its proportion or part-of its proportion of such debts or loans.

XX. And be it enacted, That notwithstanding the dissolution of any Union of Counties, all original special rates imposed by any By-law of the Municipal Corporation of such Union, for the payment or satisfaction of any debtor loan created or contracted as provided by the one hundred and seventy-seventh section of the said Municipal Corporations Act of one thousand eight hundred and forty-nine, and by this Act, shall continue to be levied in the Junior County which shall be so separated, as if such separation had not taken place, and the amount thereof shall be paid over by the Treasurer of such Junior County to the Treasurer of such Senior County or Counties from time to time as the same shall be received, and shall be applied by such last mentioned Treasurer to the same purpose, and in the same manner as the moneys raised under the same By-law in such Senior County or Counties shall be applied, according to law: Provided always, nevertheless, Firstly, that in every such case it shall and may be lawful for such Senior County or Counties to make an Anticipatory Appropriation for any year, as hereinbefore provided by the eleventh section of this Act, equal to that part of such original special rate which, by the estimate upon which such original special rate was settled, was to be derived from such Junior County for such year, and thereupon by By-law to be passed as provided with respect to such other Anticipatory Appropriations by the twelfth section of this Act, to direct the said original special rate for the payment or satisfaction of such debt or loan, and the interest thereof, not to be levied upon such Junior County for such subsequent year; and upon such last mentioned By-law being approved by the Governor of this Province in Council, as by this Act provided with respect to such similar By-laws, such original special rate shall not, nor shall any part thereof, be raised, levied or collected in such Junior County or any part thereof, under such original By-law or otherwise, in or for such particular subsequent year, any thing in the said Upper Canada Municipal Corporations Act of one thousand eight hundred and forty-nine, "The Upper Canada Municipal Corporations Law amendment Act of one thousand eight hundred and fifty," or in this Act, to the contrary notwithstanding: And provided

also, Secondly, that the Municipal Corporation of such Junior County shall be entitled to recover from the Municipal Corporation of such Senior County or Counties an amount equal to that of all such moneys so paid over by its Treasurer to the Treasurer of such Senior County or Counties, to be applied as last aforesaid as for so much money paid by such Junior County for the use of such Senior County, except only so much thereof, as under and by virtue of any such agreement or award as is provided for in and by the said fifteenth Section of the said Act, intituled, *An Act for abolishing the Territorial Division of Upper Canada into Districts, and for providing for temporary Unions of Counties for judicial and other purposes, and for the future dissolutions of such Unions as the increase of wealth and population may require*, such Junior County shall be bound to pay as its proportion, or part of its proportion of the debts or loans of such Union.

XXI. And be it enacted, That previous to the issue of any Proclamation for the erecting of any Town into a City, under the provisions of the eighty-fourth section of the said Municipal Corporations Act of one thousand eight hundred and forty-nine, an agreement or arbitration similar, as nearly as may be, in all respects, to the agreement and arbitration provided for by the fifteenth section of the said Act, of the twelfth year of Her Majesty's Reign, chaptered seventy-eight, between a Junior County and the County or Counties from which it is about to be separated, shall be made or had between such Town and the County or Union of Counties within the limits of which such Town shall lie, in which the Municipal Corporation of such Town shall do all on behalf of such Town as in and by the said fifteenth section is required to be done by the Provisional Municipal Council of such Junior County, on behalf of such Junior County; and the arbitrators shall be appointed, the award be made, and all other particulars observed by and between such Town and County, or Union of Counties, as in and by such fifteenth section is required by and between such Junior County and the County or Counties from which it is to be separated.

XXII.
