An Act to amend the Act intituled, An Act to incorporate the City of Kingston Water Works Company. 2d August, 1851.

Whereas The City of Kingston Water Works Company has acquired more real property, and has erected a steam engine of greater power than is found to be necessary at present for the supplying of the City of Kingston with water; And whereas it is expedient that the said Company should be empowered to make the most advantageous disposition of their said property, during the time in which it shall not be required for the purposes for which the said Act was passed: Be it therefore enacted by the Queen's Most Excellent Majesty, by and with the advice and consent of the Legislative Council and of the Legislative Assembly of the Province of Canada, constituted and assembled by virtue of and under the authority of an Act passed in the Parliament of the United Kingdom of Great Britain and Ireland, and intituled, *An Act to re-unite the Provinces of Upper and Lower Canada, and for the Government of Canada*, and it is hereby enacted by the authority of the same, That for and notwithstanding any thing contained in the Act incorporating the said Company, it shall be lawful for the said City of Kingston Water Works Company to hold and use any part of the real property now held by them and not necessary for the supplying the said City with water, to and for any uses and purposes which the Directors of the said Company or a majority of them shall by vote declare to be expedient.

II. And be it enacted, That it shall and may be lawful for the said Company to lease for manufacturing purposes, or to make any other use or disposition of the extra power of their said steam engine not required for the supplying the said City of Kingston with water, which the said Directors or a majority of them shall by vote declare to be expedient.

III. And be it enacted, That this Act shall remain and be in force so long as the said Act incorporating the said Company shall continue in force, and no longer.
