

Laws of Her Majesty's Province of United Canada, passed in the year 1854. Quebec: Stewart Derbyshire and George Desbarts, 1854.

18 Victoria – Chapter 172

An Act to confirm a survey of the line between the sixth and seventh Concessions of the Township of Hamilton. Assented to 30th May, 1855.

Whereas in the survey of the Township of Hamilton, in the County of Northumberland, performed in the year one thousand eight hundred and forty-seven, by Provincial Land Surveyor, John K. Roche, in conformity with the provisions of the Statutes of Upper Canada, thirty-eighth George the Third, chapter one, and fifty-ninth George the Third, chapter fourteen, he established a line between the sixth and seventh concessions, leaving each of the said concessions of an equal depth, as was intended in the original survey of the Township, and his survey was confirmed by the Commissioner of Crown Lands, but doubts have been raised respecting the legal effect of the said survey and confirmation; And inasmuch as the line between the said concessions established by the said John K. Roche has been drawn in conformity with equity and with the original intention of the survey and the provisions of the thirty-first Section of the Act passed in the twelfth year of Her Majesty's Reign, intituled, *An Act to repeal certain Acts therein mentioned, and to make belter provision respecting the admission of Land Surveyors and the survey of Lands in tins Province*, all doubts as to its legality ought to be removed: Be it therefore declared and enacted by the Queen's Most Excellent Majesty, by and with the advice and consent of the Legislative Council and of the Legislative Assembly of the Province of Canada, constituted and assembled by virtue of and under the authority of an Act passed in the Parliament of the-United Kingdom of Great Britain and Ireland, and intituled, *An Act to re-unite the Provinces of Upper and Lower Canada, and for the Government of Canada*, and it is hereby declared and enacted by the authority of the same, as follows:

- I. The aforesaid boundary line between the sixth and seventh concessions of the Township of Hamilton, established by Provincial Land Surveyor, John K. Roche, is and shall be the true and unalterable boundary line between the said Concessions.
- II. This Act shall be deemed a Public Act.
